BRITAIN AND FRANCE WORKING ON "PHASED" WITHDRAWAL

ARMY OF HUNTERS TO INVADE AREA

PLAN TO SEND OIL OVERSEAS ANNOUNCED

Washington (AP) — The government today ordered into effect its emergency program to supply Western Europe with up to 1,100,000 barrels of oil daily.

Mobilization Director Arthur S. Flemming asked Secretary of Interior Seaton to activate the industry's Middle East Emergency Committee.

This committee, representing 15 oil companies, has stand-by plans to pool production, distribution and tanker facilities for an effort to ease the European petroleum crisis resulting from blockage of the Suez Canal.

Most European countries already have gone under voluntary or compulsory gasoline rationing while this government withheld action—thereby exerting pressure on Britain and France to withdraw their troops from Egypt.

Flemming's action implied, but did not state, that the United States has obtained what it considers sufficient assurances from the French and British governments that their forces will be withdrawn, leaving the United Nations a free hand to stabilize conditions in Egypt.

Even with the U. S. effort, there still will be a petroleum deficit of about 20 per cent in Western Europe this winter, officials said, unless the canal and disrupted pipelines to the Mediterranean are restored in good time.

In spite of the heavy drain on Western Hemisphere oil supplies, Office of Defense Mobilization officials have said there will be no country.

Flemming's statement today said the problem is not one of supplies but is "essentially a transportation problem."

Dag Encounters Difficulty Over Sending Observers

United Nations, N. Y., (AP) — Secretary General Dag Hammarskjöld reported to the U. N. Assembly today that he still is unable to get observers into Hungary. He said this had complicated his task of investigating the situation in that revolt-torn country.

In a special report to the 79-nation Assembly the secretary general said the possibility of a visit by him to Budapest remained open although he had had no direct reply to his offer to go.

In Moscow yesterday, the Soviet party paper, Pravda, quoted Hungarian Premier Janos Kadar as saying he blocked U. N. observers because he feared Hungarians would mistake them for American troops.

Hammarskjöld disclosed he had sent new communications to the Hungarian and Soviet governments Wednesday renewing his request to get observers into Hungary. He said no reply had yet been received from the Hungarian government.

Fund To Help Rehabilitate Ed Stokes Nears the \$2,000 Mark

The thoughtful persons in Warren county continue to take heed of a man who lost both his arms. The ED STOKES FUND today rose to \$1,842, a much-needed amount to a man whose rehabilitation will be difficult, and a grand tribute to the hundreds of persons in this area who have offered Ed a helping hand for his months of need.

It is not too difficult to contribute. Ed and Mabel Stokes, who live on Mill street in Youngsville, are going to need support during the period when the 39-year-old man readjusts to a world infinitely more difficult now that he has no arms. Both were severed above the elbow when Ed was accidentally thrust into a power saw Oct. 28.

Bonding Company Files Suit To Recover \$90,000 From an Ex-Employee of Oil City Bank

Franklin (AP) — The Fidelity and Deposit Co., a Maryland bonding firm, has filed action in Venango County Court to recover \$90,000 from an ex-employee of an Oil City bank who, the bonding firm says, was short \$244,906 in his accounts.

The action was filed Wednesday in the prothonotary's office against Guy W. Welker, former assistant treasurer of the Oil City Trust Co. The reported shortage occurred in 1952.

The bonding firm seeks to obtain from Welker the \$90,000 it paid to settle the reported shortage. The Oil City Trust Co. later acquired several other banks and now is known as the First Seneca Bank & Trust Co.

Seven-Man Contingent Leaving Next Tuesday

Donald R. Munson, Irvine, has been designated leader of the seven-man contingent Warren County Selective Service Board will send to New Cumberland December 4 for induction on the following day.

Leaving with him Tuesday evening will be Robert A. Bailey, Russell; Richard J. Eck, Tiona; Theodore W. Hackman and Merritt N. Meabon, Youngsville; Kenneth R. Strickland, Warren, RD; and Christos Triantopoulos, of Warren, on transfer from Bartow, Fla.

Gas Rationing Stalls Traffic In French Capital

Paris (AP) — The roar of Paris traffic was stilled almost to a hush today as the full effect of gasoline rationing hit French motorists.

The city looks like a vast open-air garage, with thousands of automobiles parked along the streets. A decreasing number of the cars move from the curbs as more tanks run dry.

The French Cabinet Tuesday ordered a gasoline ration ranging from about five gallons to nearly eight gallons a month, depending on the size of the car. Most French cars, much smaller than those in America, can do better than 120 miles on this. But it still means much more walking or bicycling.

Everyone grumbles. The motorists because they can't get enough gas. The service stations because they aren't being paid for the extra clerical work that rationing requires.

The French system requires every driver to register at a gas station near his home. He may not buy gas any place else. No tickets are issued—to prevent their black market sale—and the ration must go directly in the tank. No cans may be filled. The amount issued is stamped by the garage on the back of the automobile's log.

Special tickets were given yesterday to hundreds of foreign tourists stranded along the French Riviera by the past week's shortage.

In Paris, thousands who normally drive to work cram the overladen busses and subways. Taxi companies have warned the government they are living on existing stocks which are nearly exhausted.

U. S. Fleet In Mediterranean Is Augmented

By STAN SWINTON

With the U. S. 6th Fleet Off Sardinia (AP)—Uncle Sam's Mediterranean Fleet, already the most powerful in the world, soon will be beefed up more.

The fleet's commander, Vice Adm. Charles R. "Cat" Brown, told a news conference aboard his flagship, the navy cruiser Salem, that:

The 6th Fleet already is armed with Regulus guided missiles, which can give atomic anti-aircraft protection against enemy planes as far as 30 miles.

America's most modern aircraft carriers, the Forrestal and the modernized Franklin D. Roosevelt will join the fleet in January as replacements for the less hard-hitting Coral Sea and Randolph.

There are plans to equip the reinforced Marine battalion which travels with the fleet with "Honest John" rockets, which can carry atomic warheads.

"I am sitting on top of a volcano. Tomorrow could be my Pearl Harbor. I have to watch it all the time," Brown said.

He expressed the belief that the presence of the 6th Fleet in the tense Mediterranean is a strong deterrent force for peace.

Brown also disclosed that after the threat of the Egyptian crisis to the Western Alliance, Allied co-operation is beginning to work more smoothly again and there has been a renewal of NATO sea exercises.

Brown said that the 6th fleet gave the United States flexible power in the Mediterranean which could be used with control to the degree needed in a local situation.

Erie Snow Storm Causes Change In Round-Up Program

Continued snow on roads which have not yet been cleared of last Thursday's record snow fall in Erie has necessitated a change in the program for the Round-up Rally for Cub Scouts, Boy Scouts and Explorers, and their leaders, which will be held at Youngsville tomorrow.

The Scout Office has been notified that leaders in Erie feel that it would be unsafe to bring the Indian Dancers from Erie to Youngsville on Saturday.

Replacing the dancers, will be a color film presentations of "The Spirit of Christmas", which tells the story of the "Night Before Christmas" and of the Nativity.

Round-up awards will be presented to a number of units by O and E Chairman James Wright.

Scout Executive Elmer Morgan will present 50 Miller Awards to the group which went to Philmont Scout Ranch last summer, including, Fred Gaghan, Craig Wyman, Jim Hewitt, Clyde Baker, Richard Brown, Paul Trauffer, and George Ball.

Camping Awards will be presented to those units earning them by Es. Koebley, Camp Olmsted chairman.

Council President Cliff Betts will welcome the members recruited this fall.

Three Put to Death In Chair At Louisville, Ky.

Eddyville, Ky. (AP) — Three Louisville men were put to death in the electric chair at Eddyville State Penitentiary early today for three separate crimes.

Warden M. W. Thomas said all three went to their death "very gracefully."

Put to death were: Robert Lee Sheekles, 21, convicted of raping a 28-year-old physical therapist in Louisville Dec. 18, 1954.

Charles C. DeBerry, 20, executed for the Jan. 2, 1955, slaying of Richard V. Eddins, a nightwatchman at a Louisville country club. James Franklin Bowman, 46, executed for the rape-murder of Mrs. Robert Busby, 72, in her apartment Aug. 28, 1954.

Junior Chamber of Commerce Completes Plans for Hunter Breakfast Monday Morning

The annual army, out for a buck and then some, will start flooding into this area Monday morning as restaurants and filling stations open early to cope with the influx brought by the opening of deer season.

Bucks, spike and racked, become legal prey at 7 a. m. Monday, Dec. 3. The animals will continue to drop before hunters' bullets until 5 p. m. Thursday, Dec. 15.

The Pennsylvania Game Commission has estimated that the kill this year will approximate the 45,000 legal bucks taken last year during the two-week season. Light snow in the hills promises excellent tracking weather.

Many restaurants in Warren, Youngsville, Sheffield, Tidouts and elsewhere along the heady haunts of hunters will open around 3 a. m. Monday to cope with the hungry horde. Filling stations are also planning a Hunters' Vigil.

Warren Junior Chamber of Commerce is planning a pander to the stalkers' stomach, too. An original "Hunters' Breakfast" will be served from 3 to 8 a. m. at the pavilion of Ben White's White Way Drive-Inn on Route 6 at Lily Pond.

According to an announcement from Neil Seifert, Jaycee in charge, this new Junior Chamber event will begin at midnight Sunday when all JCC workers are asked to congregate at the White Way to begin preparing the breakfast. (Seifert, chairman of the event, is an ardent Jaycee supporter, has been active in many activities. A Sylvania employee, he resides at 407 Pennsylvania avenue, east.)

A brief resume of hunter rules: There is no camp limit on male deer taken in the coming season, but, whether hunting alone or with a group, no hunter may lawfully kill more than one deer as prescribed by season in 1956. Ownership of a current Pennsylvania hunting license entitled an archer who did not take a buck in the special October bow and arrow season to use either bow or gun to bag an antlered deer from Dec. 3 to the 15th.

When five or more persons hunt together, or in any way cooperate in hunting deer, the usual big game roster is required.

All automatic and semi-automatic firearms are forbidden in the taking of deer in the state. Pump shotguns as well as rifles may be loaded to capacity for deer hunting. It is unlawful to use .22 or .25 calibre rimfire cartridges for the taking of big game in Pennsylvania.

Successful hunters must tag their trophy immediately after the antlers are removed, or in any event within one hour after killing and before the carcass is transported in any manner from the place where the animal was killed.

Judging from numerous reports of large bucks with trophy racks being killed on highways through farming sections and near areas of human concentration, many deer hunters could have outstanding success near home. Deer living in fringe areas are often larger than their cousins in the forested mountains, and there is less competition for the prize in such localities, according to woodsmen.

Michigan Senator Calls for Lifting of Tax on Automobiles

Washington (AP) — Sen. Potter (R-Mich) called today for suspension of the 10 per cent excise tax on new automobiles.

He suggested lifting the tax for six months as a means of "relieving the average family of a portion of the great tax burden it carries" and creating more jobs for Michigan auto workers.

In a statement filed with a House Ways and Means subcommittee which is studying excises, Potter said suspension of the tax would cost the government, at the most, 500 million dollars in revenue over six months.

Potter said 176,000 currently are unemployed in Michigan, mostly in the automobile and related industries.

If autos were a luxury there might be some point to the tax, Potter said.

Unintown (AP) — Miss Grace Hager, 60, a Unintown grade school teacher, was killed and three other persons were slightly injured yesterday in a two-car crash on a rural road three miles north of Unintown.

Miss Hager was a passenger in a car operated by her brother, Elza Hager, 61, also of Unintown. He escaped injury.

The injured were Ernest Crutchman, 21, of nearby Buto, driver of the other car, and two of his passengers.

Plans Being Made For Presbyterian Church Dedication

Presbyterian Church will dedicate its remodeled sanctuary on Sunday, Jan. 6th, according to an announcement today from the new church minister, the Rev. Donald H. Spencer.

The extensive remodeling, expected to cost more than \$125,000, should be completed by that date which will see the first services in the renovated sanctuary.

Alterations called for a new organ, new chancel, and a complete redecoration of the interior. Pews have also been refinished.

Other dedication events scheduled by Chairman David Crossett are an organ recital Jan. 13 (the new organ is now installed and is being "voiced" next week) and a large Dedication Dinner in Bealy School on January 16th. Both the guest minister for the church dedication and guest organist for the recital have yet to be chosen.

While the alterations have been under way, Presbyterians have attended services each Sunday morning at 9 a. m. in First Methodist church. Presbyterian Christmas service will be held in the Methodist church at 9 a. m. the 23rd of December and a Union Service with Methodists is set for 11 p. m. Christmas Eve.

SIGNS MOUNTING THAT TWO GOVERNMENTS ANXIOUS TO GET TROOPS OUT OF EGYPT

By TOM OCHILTREE

London (AP) — Britain and France appeared set today to write off their Egyptian invasion by working out a prompt and coordinated "phased" withdrawal of their forces with few or no conditions.

Foreign Secretary Selwyn Lloyd arranged emergency talks here with French Foreign Minister Christian Pineau for a final rundown of policy.

British politicians and newspapers of differing political views agreed that a pullout was imminent.

Signs mounted that the two governments were anxious to get their troops out of Egypt with all the speed political expediency will permit.

It was not clear what conditions, if any, France and Britain will demand, or how long the withdrawal will take. There were some predictions it can be completed by Christmas.

As a minimum the British and French are expected to exact promises that their troops will be allowed to go without being troubled by any Egyptian guerrilla activity. Both countries have said they would like to help in clearing the canal.

The British policy is one of a step withdrawal of its troops from the Suez Canal zone after the U. N. police force reaches "effective" strength. The French have not announced their position in any formal statement.

Lloyd will make a formal policy statement in the House of Commons Monday. This will come after hearing the views of France, which has been insisting on effective guarantees that the canal

BULLETIN

London (AP) — Diplomatic officials said tonight Britain has advised the United States that most British troops will be withdrawn from Egypt by Christmas. France was understood to be planning a parallel announcement. News of the planned British-French action came after Foreign Secretary Selwyn Lloyd and French Foreign Minister Christian Pineau held emergency talks to work out details of the pull-out. The first U. N. force imposed itself between Egyptian and British-French forces at the El Cap cease-fire line in Egypt today. Simultaneously, Washington announced that the American government was ordering into operation its emergency program to counter a looming oil famine in Western Europe.

Just what the Egyptian frontline commander, Brig. Gamal Hattat, wanted was not completely clear but U. N. liaison officers said he talked of obtaining assurance (Turn to Page Fourteen)

Police Department Members on Record For 20% Increase

Members of Warren Borough Police Department have gone on record as favoring a 20 percent wage boost.

In a petition drawn up by Attorney Samuel Bonavita the police have requested the increase above a base pay of \$300 a month now paid patrolmen. Along with the wage request has gone a demand for a 40-hour week (in place of the present 48 hours) plus six paid holidays now granted other borough employees such as "office personnel and those in the street department." The force is now on 24-hour emergency call.

According to the petition, the patrolman now make only \$1.44 cents an hour. This compares unfavorably with the starting pay in other communities, such as Jamestown, where the rate for beginners is \$4,300, according to Attorney Bonavita.

The Finance Committee of Borough Council is expected to consider the salary boost when it meets with the other Council members on Dec. 5.

Sir Winston, Still Possessed Of Magnificent Mind, 82 Today

By EDDY GILMORE

London, (AP) — Sir Winston Churchill celebrated his 82nd birthday today, more feeble physically than 12 months ago but still possessed of a bright and magnificent mind.

The wartime Prime Minister spent his birthday much as any other man of his years and wealth. He stayed late in bed reading greetings from all over the world. He thumbed through his newspapers, had a light breakfast and got up shortly before noon.

A friend emphasized that Sir Winston was physically very feeble and that he walked slowly and only with difficulty.

"He hates to talk about his health, or his advancing years," said the friend, "and when he posed with Lady Churchill for his official birthday photograph yesterday (Turn to Page Fourteen).

Colorful Court of Honor Is Held At Community House

Explorer Post 13 and Scout Troop 13, sponsored by North Warren Civic Club, held a colorful Court of Honor Investiture in the community house, with presentation of many earned awards.

Opening the program was a Parade of Colors, by Donald Smith, Edward Grosch, David Barone, Rodney Betts and Jerry Shepard, with Post Leader Gary Hunter leading the Oath of Allegiance, followed by retiring of the colors. Scoutmaster Paul Grosch gave the invocation; Boyd Sanden leading singing of "America".

Scout Executive Elmer Morgan presented the charter and Leo Rapp conducted the candlelight investiture service, with the following representing the 12 points of the Scout Laws:

John Wendelboe, James Gough, Terry Cruickshank, Robert Proper, Jack Lawson, David Solock, William Lombard, Frank Proper, Raymond Barrett, Howard Carlson, Jack Carlson, Fred Wendelboe, Tom Hendrickson, George Mattison, Jr. and James Rapp.

During the Court of Honor, Douglas Anthony, Dennis Douds, John Hamilton, Thomas Wescott, Robert Wick, William Quackenbush and Gary Lawson were invested as Tenderfoot Scouts; Arthur Saxton and Norman Rogers, Second Class; Howard Carlson, Orlo Proper, James Rapp, Rodney Betts, First Class Scouts; Jack Lawson and Donald Smith, First Class Explorers; Bruce Wick, Star Scout; Gary Hunter, Life Scout. Presentations were made by Charles Hamilton, troop committee chairman.

Committee Chairman M. Quackenbush presented perfect attendance pins to the following boys:

One-year — Howard Carlson, Jack Carlson, David Hummerich, Raymond Barrett, James Rapp, Fred Wendelboe, George Mattison, Martin Sanden, Scouts; David Solock, Explorer.

Two-year — Jerry Shepard, Scout; Donald Smith, Jack Lawson and Robert Proper, Explorers.

Three-year — Orlo Proper, James and Bruce Wick, Gary Hunter, Scouts; Edward Grosch and John Wendelboe, Explorers.

Merit badge presentations were made by Boyd Sanden: Scouts — Raymond Barrett, Jack Carlson, Howard Carlson, Nelson Johnson, James Rapp, each two; Rodney Betts, Larry Lincoln, Orlo Proper, Norman Rogers, Jerry Shepard, each one; Gary Hunter, six; Martin Sanden, Bruce Wick, James Wick, each four; Fred Wendelboe, three.

Explorers — David Barone, Robert Knapp, Donald Smith, David Solock and John Wendelboe, each one; James Gough, four; Edward Grosch, five; Jack Lawson and Robert Proper, each three.

William Lombard was given recognition as an Eagle Scout, Rodney Betts was received as a transfer from Troop 9, and the ceremony was brought to a close with the Scout Benediction.

MURDER AND SUICIDE CLIMAX MARITAL TRIANGLE—The above photo, which is reproduced by Fairchild's Scan-a-Graver through the courtesy of The Jamestown Post-Journal, shows the modest two-story house in Little Valley, N. Y., where Mrs. Sue Ann Riggs (inset right) 24-year-old mother of three children was shot to death early Wednesday morning when her husband Ralph (left) came home and found a man in the bedroom. The man, later identified as Albert Marsh, Jr., 24, and a milk delivery man, committed suicide in a car parked outside a funeral home where Mrs. Riggs' body had been taken. Further details about the tragedy were printed in the first page of Thursday's Times-Mirror.

Buffalo Goodwill Industries Truck Here December 10

Monday, December 10th, has been scheduled by Buffalo Goodwill Industries as the final Pickup Day of 1956.

Collections on that date will be made at individual homes in Warren and North Warren only; in Chancellors Valley, articles for Goodwill may be left at the Evangelical United Brethren Church.

Persons wishing to have the truck call at their homes should telephone Warren 3021 to register with the Industries' representative, Marjorie Anderegge. Only 120 calls can be handled on that day, and orders will be listed in the order in which they are received.

ROTARY PROGRAM
Work of the Warren County Probation Association will be outlined for Rotary Club members at their Monday luncheon-meeting, 12:10 p. m. in the YMCA activities building. Judge A. C. Flick, Jr., program chairman for this meeting and active figure in the Association, will present as speaker the probation officer for boys, A. J. McDonnell.

ROCK-ROLL DANCE AT CANTEN DANCE
Much interest has been aroused among High School students in the Rock and Roll Dance scheduled for tonight at The Spot. Sponsored by the Youth Canteen Board, it is expected a capacity crowd will be on hand for the dancing from eight until eleven o'clock. Admission has been placed at the low price of 25 cents.

YMCA BASKETBALL ORGANIZES MONDAY

All men, particularly those of high school age, are invited to attend a meeting in the YMCA at 7 p. m. Monday when final plans will be made for the basketball teams and season. Physical director Robert Hammerbeck reports the teams will be mixed this year to even out the competition and younger fellows are needed to balance the squads.

BARBERSHOPPERS

A work detail by Warren Barbershop Society has been scheduled for Saturday at 9:00 a. m. at the building site on Lookout street. All members are requested to be present and to bring shovels.

UNUSUAL ACCIDENT

John Sawyer, a 65-year-old service station attendant, died in Sharon General Hospital Thursday of burns suffered in a fire at the station. He was working in a grease pit when a portable light broke and ignited gasoline fumes that set his clothing on fire. He was a retired employee of the Westinghouse Electric Co.

FATHER-SON DINNER

A father and son dinner will be held at the YMCA Saturday at 6:00 p. m., those attending reminded to bring gym shoes and swim trunks as gym games and a swim will be enjoyed. The nominal fee of 85 cents a couple will be charged, and foster dads will accompany boys whose fathers are out of town. A good turnout is urged.

VOLLEYBALL TEAM PRACTICE SESSION

All members of the newly-forming volleyball league at YMCA are asked to report for practice at 5 p. m. Monday. Teams will be chosen at that time and league play will start in the near future.

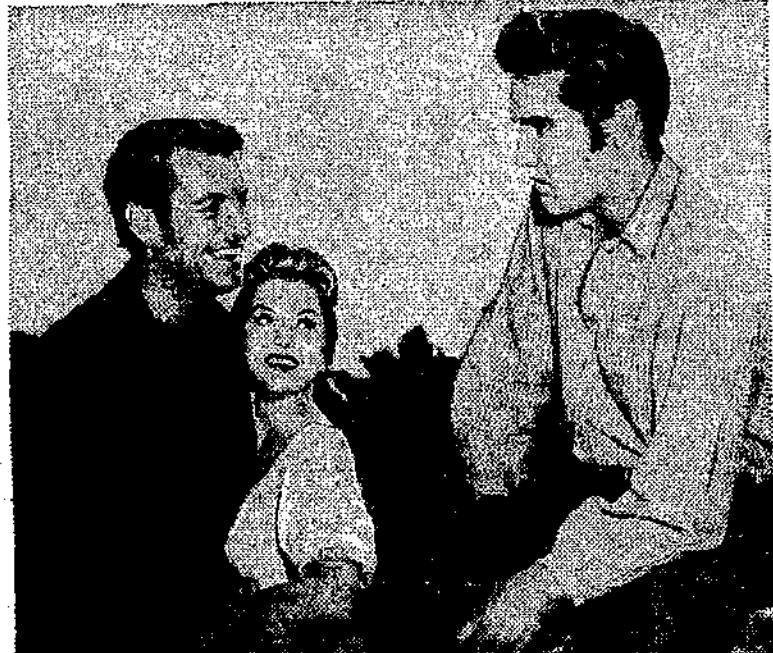

WHITE HOUSE INN

Dennie DiPerro, owner of the White House Inn, announces he will have a new and terrific show tonight and Saturday, when the featured attraction will be Mary Jo Murphy, exotic dancer and burlesque queen. Jackie Maurer will serve as master of ceremonies while Pat Norman and his orchestra, a fine band from Jamestown, N. Y., will furnish music for your dancing pleasure. There will be no minimum or cover charge for this special attraction and the public is urged not to miss this show, which will also provide a special treat for the hunters.

TRIBUTE TO DORSEY

An Associated Press dispatch from Hollywood says two of the late Tommy Dorsey's musical arrangers, a vocal group and four former singers with Dorsey's band, will take part tomorrow evening in a tribute to Dorsey on Jackie Gleason's television show. CBS announced last evening that appearing from Hollywood on the hour-long show will be Axel Stordahl and Paul Weston, one-time Dorsey arrangers, and vocalists Jo Stafford, Connie Haines, The Pied Pipers, Matt Dennis and Bob Crosby. Other stars will appear on parts of the show telecast from New York, CBS said.

DRIVE CAREFULLY

Seeing Richard Egan and Debra Paget in such close harmony gives Elvis Presley something to brood about in this scene from the Number 1 singing sensation's initial film appearance, "Love Me Tender," now rocking the screen at the Library Theatre. The Twentieth Century-Fox drama in CinemaScope gives Presley the chance to introduce four new songs.

Nation Being Presented With Package of Plentiful Foods

New York—A big package of plentiful foods will be presented to consumers in December, as a gift from American farmers who are completing another year of bountiful farm production, according to the U. S. Department of Agriculture. And you don't need to wait until Christmas to open it, either, for the plentiful foods come in enough variety to be useful at every day meals as well as festive occasions.

Featured foods for December are broilers and fryers, potatoes, and canned sweet corn—all items in unusually heavy supply. Market supplies of young chickens should be about 15 percent ahead of a year ago, and prices are expected to continue lower. Meantime, the largest crop of potatoes in six years means lot of spuds at low cost. And an unusually large pack of canned corn indicates that an all-time record supply of whole kernel and cream style will be selling at favorable prices.

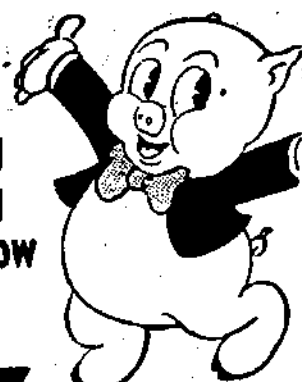

Of course, turkey continues a popular choice for December holidays—and supplies will be abundant as they were in November. With hog slaughter at seasonal peak, pork and pork products are also among the month's plentiful foods. Beef, too, will be in good supply for the hearty—and good-eating required by December temperatures.

The accent is on large eggs in December, as more hens on farms continue to lay more high-protein eggs in convenient pre-packaged form. And milk and dairy products will be plentiful, including cream, ice cream and cheese for the festive board.

December fruit counters will be well supplied with winter pears, especially the varieties from the Pacific Northwest where the crop is about 6 per cent greater than last year. And marketings of dates will be at peak for the holiday season. Dried prune production, too, is well ahead of last year, and small to medium sized prunes will be offered at attractive prices. Heavy stocks of canned purple plums offer good eating and a good canned fruit value.

Cabbage and onions highlight fresh vegetable offerings in December. The 1956 storage cabbage crop is the largest since 1950, while the late onion harvest is 6 percent

Times-Mirror Acquires Exclusive Rights To Publish Rare Raccoon Manuscripts

No little Hemingways were discovered among the winners of the story-writing contest sponsored by Warren Public Library in observance of Book Week. From left the George Sands are: Anne Sommers, aged 11, Sixth Grade; Shirley Simmons, aged 9, Fourth Grade; Pamela Myers, aged 7½, Third Grade; Christina Sandblade, aged 10½, Fifth Grade. Winners were awarded books as prizes. On the board are pictures of wild raccoons taken by Don Neal to inspire the young authors. (Times-photo by Saylor).

Warren Public Library, in observance of National Book Week, sponsored a story writing contest among youngsters in the third, fourth, fifth and sixth grades.

The Times-Mirror is presenting these youthful literary efforts which represent the winning entry from each of the grades.

The Library invites all persons who wish to see the original manuscripts to visit the Children's Section. The Association also has other displays in observance of National Book Week.

THIEF TELLS A STORY
Christina Sandblade, Grade 5, Jefferson School

"My name is Thief, but I'm not a real thief. I'm a raccoon. I am going to tell you why I am called thief.

One night when it was very dark, I crept out of my hiding place. I felt quite hungry. I sniffed the ground thoroughly, but there was nothing to be found.

I was just a baby then, so I didn't know too much. But I did know there was a little cabin

"MR. RACCOON"

down the road a way. So I started in that direction.

When I arrived there, I thought I might go in. The door happened to be slightly open, so in I marched. No one was in sight. I sniffed the air and smelled something very good. It smelled like my favorite dish—corn! Oh boy, I could hardly wait to get my mouth on

it! But it was on the third shelf of the cupboard and pretty far up for me to reach.

I got on the first shelf, and then on the second. Just then I heard a little noise, but I didn't pay any attention to it. Then finally, I reached the third shelf! As I picked up an ear of corn, the door opened and in came a man! I was so frightened I didn't know what to do! With the ear of corn in my mouth, I scampered down from the shelf. I dashed between the man's legs and through the open door. As I was running up the road, the man shouted, "I'll get you, thief!"

So from that day to this, everybody calls me Thief.

THE LITTLE RACCOONS

Pamela Myers, Grade 3,

Once there was a little raccoon. He lived in the forest with his friend. One day a girl found them. She gave them food. Then they went back to the forest. Every day she came back to the forest and gave them food. And then one day she found another one. She kept that one for a pet. But he got too big. So she let him go. He went back to the forest and lived happily ever after.

THE STORY OF REGGIE RACCOON

Shirley Simmons, Grade 4, Jefferson School

Oh Hi folks. My name's Reggie, a Reggie Raccoon that is. Well anyway, I'd like to tell you a story. It all began when my

friend and I, Charlie Raccoon, were playing snoop tag. It was my turn to hide my eyes and his turn to hide. Well, there I stood, counting 10-100-58-22-94-42-1000, here I come ready or not. So I hunted and hunted and later I found a raccoon, but it wasn't Charlie. It was Rita Raccoon, my girl friend, you know. Well, she and I talked a bit. Then I asked her if she had seen Charlie. She said she hadn't, but she said she and her brother Zeke Raccoon would help me hunt. Pretty soon we saw him. And the biggest surprise of all was that he was eating out of a human's hand. Then, of all things, Rita and Zeke started to eat out of a human's hand. Then before I knew what was happening I was eating out of a human's hand. Of all the coon picking things Well I guess that's how life goes. I've got to be going now. Bye

A RACCOON

Anne Somers, Grade 6, Jefferson School

Early one morning in November, when the trees were bare, their ghostly branches reaching up and outlined against the pale sky, and the frost making a white covering on the browning grass, in a stately old hollow oak tree a raccoon looked out. He paused a few minutes, then climbed down and stood up on his hind paws listening. All was quiet. He made a soft growling noise and another

raccoon came out of the den in the hollow tree. His mate climbed down and they stood listening a moment, then started to hunt for their breakfast of field mice, insects and clams.

They went through an old cornfield together and hunted for field mice in the old cornstalks. The male raccoon saw one which was scrambling away under the cornstalks. Quickly he pounced on it, and pinned it down underneath his black paw, and ate it. His mate soon caught some too, and, satisfied, they scrambled off toward the small road that ran through the state park where they lived.

They reached the road and started to cross when a car came speeding around the corner and looted its horn. Startled, they ran back to the side of the road. A few minutes later another car saw

them, and stopped. Out of the car stepped a little girl and her family. Slowly she came toward them and held out a cream biscuit. Lured by the food, the male raccoon advanced. He sat up and took the biscuit and ran back. He licked his paws and sat up for more. In time the two were begging for biscuits like a tame dog.

A few more cars came and stopped when they saw the raccoons. A few had some cookies left over from their picnics. They gathered the scraps together and fed them to the 'coons. The people laughed to see his little black paws that looked like gloves and his black mask. Some tried to stroke his silver-gray fur, but he backed away.

When the people had gone, the two raccoons went back to the woods. They stopped a little while and sniffed at each other. Then she led him over to an unused gopher hole in a pile of big rocks. Then she stood in the doorway and smiled at him. Puzzled, he turned away.

A week later he returned to the den in the rocks. The mother coon stood in it, then came out, followed by four pepper-and-salt colored babies, each with little black gloves and a black mask. The mother raccoon turned toward him, and they sniffed at each other. Then they returned to the den in the rocks.

Aviation News

Despite the recent bad weather there is still some cross country activity taking place at the airport.

Mr. Barrett, business man pilot, and a companion landed here late Tuesday afternoon. They were en route to Elmira, New York on a business trip for Barrett Automobile when they ran into a heavy snow storm a few miles east of Warren and returned here to spend the night. They completed their trip the next morning Mr. Barrett was piloting a four place Cessna 180 which cruises 150 miles per hour.

Mr. Keller of Frederickburg, Virginia landed at Warren Wednesday morning in his Ercoupe. He brought in a passenger who was coming to Warren to pick up his truck which had a new tank put on it by the Pennsylvania Slove & Furnace Company. Mr. Keller refueled his ship and made an immediate return to Frederickburg.

Mr. and Mrs. Howard Whitmore, Hiramlock Street Extension, took off Wednesday in their Cessna 140 Ashville, North Carolina to visit Mr. Whitmore's parents. They expect to return in about a week. Mr. Whitmore bought the Cessna 140 several months ago then learned to fly. He obtained his private pilot's license from Bud Moler, local Flight Examiner.

The airport manager was informed that one of our local model

plane enthusiasts is going to fly his jet model this coming Sunday, weather permitting. This model flies at a speed of 150 miles per hour.

First liberty pole in America was erected at Machias, Me., in 1775.

HANDLING OF BUSINESS MAIL

Employees at the Warren Post Office are leaving nothing undone to assure speedy handling and dispatching of important business mail during the coming holiday rush. An announcement to "Business Mailers" says arrangements have been made for complete separation and processing ahead of other mail, such as cards, etc. The order of precedence will be: (1) first-class business mail; (2) first-class Christmas cards; (3) third-class two-cent Christmas cards.

Obviously if business mail is to be given preferential handling, Post Office workers must be able to identify it and must obtain it separately, reminds a circular sent to all patrons. Therefore it is urged that every business mailer not only observe the usual separation, bundling, and depositing precautions, but also, during the pre-holiday rush, to use large envelopes for all first-class mail. By so doing, such mail will be immediately distinguished from the less important (in point of time) greeting cards, and will be so handled.

And this is important—A supply of "In-Town" and "Out-of-Town" labels is furnished. They are available at all windows and patrons are urged to use them; also, see that large and small envelopes are separated and faced.

Above all, it is urged that patrons take mail to the Post Office as soon as it is ready each day. Don't hold it until the end of the day! Don't deposit it in street boxes.

It is evident that with cooperation in observing a few simple, common-sense mailing practices, Uncle Sam's workers at the Post Office will be able to keep ahead of the inevitable Christmas flood and give normal service to business mail.

INAUGURATION FACTS

Those of you who plan to be in Washington eight weeks from Monday for a very special occasion will be interested to learn that a million dollar celebration is being planned for the second inauguration of President Eisenhower.

A special Associated Press dispatch from the Capitol today says a weekend of festivities will be climaxed with four separate but "coequal" inaugural balls on the evening of Jan. 21 to take care of the anticipated crowds, the committee planning the program decided yesterday.

"There will be no second-rate balls," Chairman Robert V. Fleming announces, adding that all four will be visited by the President and Mrs. Eisenhower and Vice President and Mrs. Nixon. Two were held in 1953, but the committee decided more were needed this time. They will be held at the National Guard Armory and the Sheraton Park, Statler and Mayflower hotels.

Fleming estimates the committee will raise and spend between \$800,000 and a million dollars, exclusive of the costs of the inaugural stands and incidentals at the Capitol for the public oath-taking ceremony and Eisenhower's inaugural address. A congressional appropriation will pay for that.

The 1953 inaugural cost about \$700,000 and inaugural ball tickets that year were \$12 each. Fleming said the added cost would probably put them up to \$15 for next year.

HELPFUL JAYCEES — PLEASE NOTE!

A "Maximum Effort" beginning Sunday at 1 p. m. is urged upon all Jaycees who are asked to turn out and help erect the "Merry Christmas—Happy New Year" sign in Crescent Park. The greeting will be carried over to the park on Saturday (helpful Jaycees please note).

THOUGHTS FOR TODAY

"Come to Think of It—It's Our Lifeline, Too"

Here and There

Sixty years ago when the Warren High School team of 1896 played six games, and won six, the last was played on Thanksgiving Day, when they defeated Olean, 34 to 0. According to the writeup in The Mirror the following day, they really supported the team back in those days. Says the article: "Football is popular in Warren! This fact was fully demonstrated Thursday afternoon when not less than 800 persons wended their way to Recreation Park and saw 'our own' defeat the Olean High School team by a score of 34 to 0. The weather was all that could be expected, and long before the game was called, people of all conditions and ages began to swarm into the grandstand, or congregate around the ropes, upon the field, where a slightly better view of the game could be had. When the time was called, about 3:30, the grandstand was one solid mass of humanity, presenting a scene of beauty and animation.

The ladies appeared to be in the majority and many were gaily decked with the Warren colors—blue and white. . . . The local team showed a superior knowledge of the game from the start and found no difficulty in forcing the visitors at any point. Willis soon carried the ball over the line for the first touchdown, but Arnold failed at the try for the goal. It was only a few minutes more before Radaker darted over the line with the pigskin tucked under his arm. Arnold kicked the goal. Willis scored again in the half, but the try for goal was another failure. After a rest of ten minutes the teams again took the field for the second thirty minutes of play. Warren appeared anxious to make the score a large one and three touchdowns were made, two by Bieber, and one by Emsworth, besides a safety. Arnold kicked the goal each time. There will be no more games this season. The boys have an excellent record. They

have defeated Titusville twice, Jamestown twice, Kane and Olean once each." According to the record book Kane was the only team that scored against the locals, the score in that game being 14 to 6. From the same source it is learned that Warren scored a total of 104 points against 6 made by their opponents. On the team that year were: Junius Radecker, Dan Lytle, Christian Willis, E. A. Arnold, John Stone, C. A. Arnold, Luzerne Grindley, Percy Wilkins, Archie Leonhart, Cyrus Siegfried, Jerome Morgan, Carl Wheelock, Thomas Jenkins, O. W. Emsworth and Henry Bieber.

Some interesting sidelights on the team of sixty years ago is given by C. A. Arnold, Onondaga avenue, who played right end. The team was coached by two High School professors, Bieber and Emsworth. The former was a graduate from Lafayette college, and the latter was a former student at Oberlin. Others who still survive are Tom Jenkins, left guard, who is believed to reside in Erie; John Stone, Liberty street; Left Tackle Grindley, who is believed to live in Youngstown and Jerome Morgan.

Another football note of interest, found in the "Daily Reflections Column" of the paper says: "The Dunkirk Football team defeated Buffalo High School yesterday by a score of 8 to 0. Lytle and Mason, of Warren, scored both touchdowns for Dunkirk. The Buffalo boys were outweighed about ten pounds to a man. The field was in such condition that when the players would emerge from scrimmage they were a mass of mud, and the water would fly in all directions, as they shook themselves like Newfoundland dogs."

Projected Food Increase Will Benefit Farmer

BY DOUGLAS LARSEN
NEA Staff Correspondent

WASHINGTON—(NEA)—Millions of Americans are overweight and dieting, or at least worrying about it. As a result, experts at the U.S. Department of Agriculture believe that there will have to be some drastic changes in what U.S. farms produce during the next 19 years.

They believe the current farm problems. Basically farm production today is still geared to the typical American diet of 50 years ago.

For example, there has been a decline in the per capita consumption of wheat products during the past half century. This is said to be partly responsible for the hundreds of millions of dollars of surplus wheat in government bins.

On the other hand there has been a great increase in the demand for meat by Americans. This has created the kind of shortage reflected in today's higher prices.

BOTH OF THESE trends indicate a desire of Americans to avoid being overweight. For the last 20 years, at least, doctors have been pounding away at the public to slim down for health's sake.

Thus, with the thought in mind of possibly gearing future U.S. agricultural policies to the American appetite, the Department has made a unique study called "Farm Output, Past Changes and Projected Needs."

It is an effort to estimate what the demands will be for various farm products by 1975. In addition to trends in American eating habits, population and economics growths and expected improvements in farming techniques are all taken into account in this projection.

By 1975, the experts who made the study conclude, total demand for farm products will be 25 per cent greater than it is today. However, the demands for all items will not go up that much. And that's why the country's farm program will attempt to cut production of some crops and increase production on others in order to meet future demands.

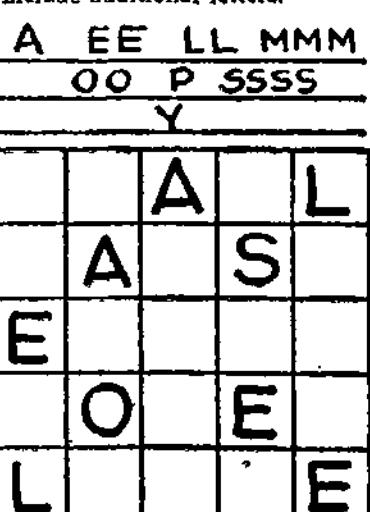

IN SPITE OF anticipated increases in population, the report says, "substantial downward adjustments in production of food grains may be required." Again, that's because people are tending to eat fewer foods made from grains because of the weight problem.

The report also says that "only a moderate increase in production of cotton may be needed." That reflects the increased competition of the synthetic fabrics such as nylon, orlon and dacron.

Another football note of interest, found in the "Daily Reflections Column" of the paper says: "The Dunkirk Football team defeated Buffalo High School yesterday by a score of 8 to 0. Lytle and Mason, of Warren, scored both touchdowns for Dunkirk. The Buffalo boys were outweighed about ten pounds to a man. The field was in such condition that when the players would emerge from scrimmage they were a mass of mud, and the water would fly in all directions, as they shook themselves like Newfoundland dogs."

TV Highlights and Programs

By Charles Mercer

By CHARLES MERCER
New York (AP)—George Bassman has a mild legitimate complaint. Why, he wonders, is the television work of men like George Bassman so widely ignored?

Bassman is the musical director for "Producers' Showcase" NBC-TV. That means he is both a composer and conductor as well as a general arbiter on all matters musical.

Many people are unaware that a major live television show has specially composed live music as background or dramatically spotted in the program.

"The author is well aware of the composer's role in the play," says Bassman. "There are often specific indications where the author wants music to bring his scene to a climax, to heighten a word, and certainly to set a mood. A full orchestra of 70 men is often employed to do this, but rarely, if ever, have the critics noticed it. They notice the camera work, the lighting, the directing and acting—but never the music."

"People in television always expect miracles," Bassman said.

"The truth is that it takes just as long to write a bar of music in 1956 as it did in the days of Bach. You don't begin writing music until a show is in rehearsal—and then it's only tentative. The

actual writing begins five days before telecast time, and then you find what is really needed."

In the recent production of Somerset Maugham's "The Letter," Bassman engaged in extensive research in oriental music. His financial orchestration, which you may recall was extraordinarily effective, was achieved with a Chinese koto which is a set of bells, tiny Chinese drums with tuneable heads and another curious combination of Western instruments.

He sought an oriental instrument which he had heard recorded—its name unknown. Finally he achieved the effect by employing a single violin slurring notes in unison with a clarinet and a piccolo playing two notes higher.

METHODIST HOME NOTES

Margaret H. McBride

Here is a brief report as of November 26, on the progress of the \$1800 stock selling campaign in "Operation Dishwasher" put on by the Youth Fellowship of the Grove City District. We hear from Rev. George Braun that it has been oversubscribed, with \$2,000 in the treasury, and about December 1 we will have a full report. What a marvelous undertaking, and singularly successful! Seems like a great idea for other much needed equipment. The Youth Fellowship of Jamestown, N. Y. is going to furnish a new "Multihite" hospital bed, and our Sunset Auxiliary has two more on order. The latter has already installed an "Autoclave" live steam sterilizer for the Infirmary.

Our Supervisor of Nurses, Mrs. Cora Robinson, is still convalescing from her operation, but we hope to have her on duty again before very long. Miss Boyersmith, R. N. has resigned, and her successor has not yet been appointed. Infirmary news is about the same. Miss Clara Hill is still a patient, but Mrs. Augusta Frampton is able to return to her own room, and her sister, Miss Martha Elbel, is once more with her after a long siege following her stroke weeks ago. Miss Sarah Eddy passed her 103rd birthday Sunday, but is not able to receive visitors, and had a very quiet day. Miss Blanche Crothers is slowly improving, and had callers from Fairview last week. Mr. and Mrs. Weaver and their children, as well as Mrs. Foster Williams from Girard.

Miss Elizabeth Neff and Miss Angeline Edwards, from Coudersport, were over on last Sunday to visit the former's mother, Mrs. June Neff, taking her out to dinner and later a long drive to Lake Pymatuning, where Miss Neff got some good pictures with her movie camera. They took in the Museum of Water Birds, since Miss Neff has been a bird enthusiast for years, and has identified more than 100 birds of both land and water.

Mr. and Mrs. Mont Robertson from Sharon made a call on old friends here too. Mr. and Mrs. Charles Jones and Mrs. Minnie Graham, then on Thanksgiving evening, Mrs. Graham's son Don and his wife from Sharon spent the evening with her.

Mrs. Bessie Goodell got back Sunday evening from a nice long visit with Rev. Ralph Tidmarsh and Mrs. Tidmarsh, in Waterford. Recent visitors of Mrs. Rose Thompson included Mrs. Louise Gourley and Mrs. Charlotte McLean Froehus, from Sugar Grove,

also Mrs. Frank Harris of Union City.

We had a wonderful Thanksgiving dinner, fully up to standard. Rev. W. J. Small's son, Philip provided the turkey, the Rocks' family donated the ice cream, and the WSCS of the Lawrence Park Church in Erie presented us with an enchanting favors, a miniature head of Pius XII and John Aiken, most cleverly done. Guests for dinner were unusually scarce, only Mrs. Helen Emerson with her sister, Mrs. Maud Johnson, and Robert Braun and his wife, and Miss Janet Braun, with Rev. and Mrs. George Braun at their table. Mrs. Emerson spent several days at the home with Mrs. Johnson.

We had two guests from Erie the past few days. Mrs. Mary Hoffman and Mrs. Maud Pinches, who were stranded here after the big Erie snow. Another visitor, Mrs. Vernon Middaugh, who has been a guest of her son's family here in Meadville, spent Sunday

here calling on friends in the Home, since she could not get back to her home in Fredonia, N. Y. Luckily for us, we had very little snow in comparison, and have been quite comfortable.

Monday morning, the Executive Committee of the Home Board held their monthly meeting here, and left for home early. That night, we had the pleasure of another concert by 17 members of the French Creek Valley Chapter of the SPESCA, with Charles Hohnstein directing. It was a good show.

Mr. and Mrs. Brainerd Ray and their daughter, Donna, from Newcastle, were callers one Sunday on Mr. and Mrs. W. B. Ray and Miss Lou Ray, and Miss Nellie Meishon had Saturday guests from Lanesville, Dr. H. M. Mershon, Philip and Jean Mershon, and Miss Froehse, Thursday afternoon, Mr. and Mrs. J. Stanley Schultz, Betty and Jack Schultz, from Grove City, came for a visit with Mrs. Anna Schultz, who is holding her own remarkably well.

Sunday visitors to Rev. W. J. Small and Mrs. Clara Carpenter were Mr. and Mrs. Harry Small, from Clark's Mills. Then late in the afternoon we were delighted to see Miss Norman Greenslet, from Cochran, who called on a lot of her friends in the Home, among them Mrs. Augusta Frampton and Miss Martha Elbel, whom

she had known for many years. Monday of this week, Ernest Mungler celebrated his 80th birthday, still hale and hearty, though his hearing is not too good. Mrs. Mungler is still on crutches, but gently as ever. They have been married almost 70 years.

CLARENDON

Clarendon—Members of Clarendon Garden Club held their regular meeting with Mr. and Mrs. R. O. McBride. After a brief business session, the evening was devoted to playing cards, with prizes going to Martha Schneider and George Fullerton. Concluding, the hostess served refreshments. The next meeting will be at the home of Mr. and Mrs. Charles Schneider December 15.

Mrs. Wesley Fleyemuth and children have returned to their home in Meadville after spending a week with her parents, Mr. and Mrs. James McCool.

Dieck Walchli, Baltimore, Md., Mr. and Mrs. Harold Walchli and children, of Pittsburgh, spent the holiday period with Mr. and Mrs. Hans Walchli and other relatives in the vicinity.

Mrs. Bess Miller has returned to her home in Oil City after spending some time with her sister, Mrs. Arch Fredericks.

Friends of Mrs. John McCoan will be glad to know she is recuperating nicely following surgery in Warren General Hospital last week.

Billy Anderson has returned to Bainbridge, Md., after a few days' leave with his parents, Mr. and Mrs. Melvyn Anderson.

Jimmy Lobdell, Parris Island, S. C., has been spending a few days with his parents, Mr. and Mrs. Benny Lobdell.

Mrs. Arthur Johnson and son, of Cleveland, and Robert Breene, New York City, were weekend visitors at the Robert Youngquist home.

SOCIETY

MR. AND MRS. HAROLD ALLEN BULL

First Methodist church was the scene of a beautiful wedding November 24, when Dr. A. C. Schultz performed a double ring ceremony at 2:00 p. m. to unite in marriage Maxine Carol Johanson, daughter of Mr. and Mrs. Henry A. Johanson of 22 Brook street, and Harold Allen Bull, son of Mr. and Mrs. W. Lee Bull, of Jamestown, N. Y.

The bride's gown of white slipper satin was made with jewel neckline, edged with clusters of pearl-headed petals, and fitted bodice from which fell a full skirt ending in a train. Her fingertip veil fell from a crown of sequins and pearls on lace insets and she carried a linen handkerchief which belonged to the bridegroom's great-grandmother. Her flowers were a colonial bouquet of white roses and Fuji mums.

Marilyn Johanson was maid of honor for her sister; Mrs. Henry Johanson, Jr., sister-in-law of the bride, and Jeannine Turner were bridesmaids; Debra Hansen was flower girl for her aunt. Their ball-length gowns were of matching tulle, with matching hats, shoes and mitts, the maid of honor and flower girl in peacock blue, the others wearing coral, and all carrying colonial bouquets of bronze pom poms and matching streamers.

Donald Bull served his brother as best man; ushers were another brother, Ernest Bull, and Harold Merchant.

Wearing black accessories and red roses, the bride's mother was attired in gray. Mrs. Bull in light blue. Mrs. B. J. Davis, grandmother of the bridegroom, was in navy and black, with pink rose corsage.

The reception for approximately 125 guests was held in the Eagles' Hall, where the bride's table was centered with a wedding cake and white tapers in silver and crystal candelabra. The white linen cloth was woven by the bride's great-grandmother in Sweden.

Pouring were Mrs. Clarence Olson and Mrs. Gail R. Hansen, sisters of the principals; Mrs. Roy A. Juusola, another sister, cut the cake; aides were Peggy Ahlgren, Barbara Harrison, Lois Robinson, and Mrs. Earl Inwood, with Betty Gayle Scallie managing the guest book.

For her wedding trip, the bride chose a red wool dress, black accessories and fur coat, with carnation corsage. She and the bridegroom will reside in Lakewood for the present.

Guests were present from Rochester, Lakewood, Kennedy and Jamestown, N. Y.; St. Marys, Ridgway, and York.

Honoring the bride with parties have been Jeannine Turner and Barbara Harrison; members of her '33 Club; Mrs. H. A. Johanson and Mrs. G. R. Hansen; Mrs. Ernest Bull and Mrs. Clarence Olson in Jamestown. The rehearsal dinner was given by Mr. and Mrs. W. Lee Bull at the Villa Mia in Falconer, N. Y.

In conjunction with a vesper service to be held at four o'clock Sunday afternoon in Bethlehem Covenant church, the congregation will honor Mr. and Mrs. Gust Swanson, 11 Russell street, who recently celebrated their golden wedding anniversary.

This service, which will replace the customary evening worship, will include special music and refreshments and all members and friends are cordially invited.

In the 11:00 a. m. service, the pastor will bring an Advent message and there will be a Communion service, during which 13 persons will be received into church membership.

Events next week: Wednesday, 7:30, prayer fellowship, and 8:30, choir rehearsal at which all members are asked to be present; Friday, 7:00, junior choir rehearsal. The Bell choir will also have a rehearsal next week, the time to be announced.

Golden Wedding Day

Mr. and Mrs. Gust Swanson, 11 Russell street, were honored at open house Sunday, November 25, on the occasion of their 50th wedding anniversary. The bride of 50 years was charming in a dress of black velvet, with which she wore a corsage of yellow roses.

The home was decorated with a profusion of golden chrysanthemums and roses, and the buffet table was centered with a three-tiered anniversary cake served by Mrs. Emil Gustafson. Aides were Mrs. William Leuthold and Mrs. Harry Gustafson.

Mr. and Mrs. Swanson, married November 28, 1906, in their present home by the late Rev. Carl Isaacson, received many remembrances, also congratulations from Jamestown, N. Y.; Cleveland, O.; Jacksonville, Fla.; Lowell, Mass., and Sheffield.

At four o'clock Sunday afternoon

the couple will again be honored during a vesper service held in Bethlehem Covenant church.

Annual Marine Christmas Ball Plans Readied

Behind-the-scenes details are rapidly being worked out by local Marine Corps League committees for their annual Marine Christmas Ball to be held at Marconi Outing Club on Tuesday, December 25.

Posters will be distributed next week, ticket sales will begin the following week under the direction of a committee comprised of Howard Clark, Bob Beidene, Bob Erickson and Bob Gorsuch.

Planning and executing the decorative scheme will be assignments of another committee, Bert Mullen, Charles Dorotics and Joe Garland. Bob Harrison and Frank Grut-taria are completing arrangements for the band and Harrison, with August Juliano, will line up waitresses for the event.

Other members of General Joseph Pendleton Detachment will be lending a hand with all the arrangements and helping out committees wherever the need arises.

This annual holiday festivity is planned by the Marines for all their friends, with the hour for dancing set at nine o'clock.

CIRCLE MEETING

Russell—At the monthly meeting of Thursday Evening Circle, held at the home of Mrs. Lee Yaegle, assisted by Mrs. Ray Briggs, 14 members and three visitors were present. Mrs. Ralph Swanson presided and Mrs. Floyd Lindquist had charge of devotions.

A report was given by the Brownie and Girl Scout committees; Mrs. Ann Olson and Mrs. Richard Burlingame will have charge of the church nursery during December. Mrs. Arnold Jewell presented the program on "United Nation's Purposes."

The group will meet at the church December 17 at 7:00 p. m. to go caroling after which they will go to the home of Mrs. Edwin Branstrom for their regular meeting and Christmas party with Mrs. James Fleming, assistant hostess. Members will bring a 50-cent gift for the grab bag gift exchange and a gift for the foster girl sponsored by the group.

In conclusion, refreshments were served by the hostess.

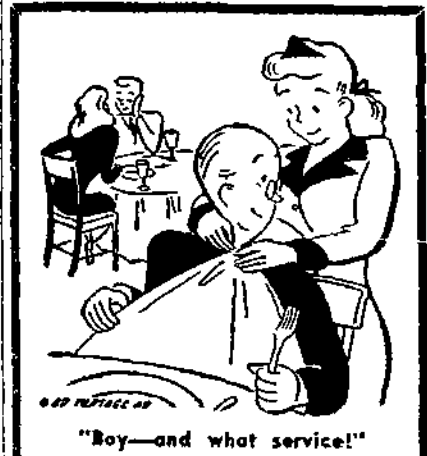

WOMEN'S SOCIETY

Mrs. Oscar Granquist, president, conducted the business meeting when Women's Society of Epworth Methodist church met in the church parlors. Epworth church will be hostess to Warren Council of Church Women at 2:00 p. m. Friday, December 7.

Mrs. Harold Richael presented devotions on the theme "The UN—A Good Trustee"; Cecelia Smith sang two carols accompanied by Mrs. Small. Members of the four circles brought toys for the Puerto Rico Mission and "Christmas for Others" was carried out by each one hanging a money bag on the Christmas tree. Mrs. Elbert Mohr gave a reading by Elizabeth Goudge.

A social hour followed, with Francis Circle as hostess.

Woman's Club Speaker

"Magic in Color" will be the theme for the Community Service Department program at the Woman's Club Monday afternoon, when the guest speaker will be Miss Claire Trussell with the commercial department of Bell Telephone Company for over 15 years and, in the fall of 1955, appointed to the newly-created position of full-time woman lecturer in the public relations group.

Her travels over the entire Western Area of Bell territory in Pennsylvania take her chiefly before women's organizations, but she also gives her talks in schools and before other groups.

Miss Trussell has traveled extensively over the United States, the Caribbean, Central and South America. In 1954, she visited

CLAIRE TRUSSELL

Spain, Portugal, Italy, and Switzerland. Her latest adventure was a tour of the British Isles and Ireland, from which she has just returned.

Her hobby, color photography, has led to membership in the National Color Camera Club, Women Pictorialists of Pittsburgh, the Photographic Salons.

The American public has had a desire, a need to express itself colorfully that has led to a sort of industrial revolution in color. There is probably nothing in the world around us that exerts a greater influence in our lives. Miss Trussell is well equipped by her training and interests to bring "Magic in Color" to members of the Woman's Club next Monday afternoon.

Mrs. B. W. Bloom will be hostess for tea following the program.

GLADE AUXILIARY PARTY
Members of Glade Volunteer Firemen's Auxiliary are reminded their next meeting will be a dinner and Christmas party at Lander December 10, those attending to bring a \$1.00 gift for exchange. A very entertaining evening has been planned, and all are urged to attend. Reservations must be in by December 5 by calling Mrs. Wilbert Knapp, 5614-J-2.

TODAY is pay day for all who have classified ads.

Years of Family Life Make a House a Home

WITH our new house almost finished I am beginning to feel sad at the thought of moving out and leaving the house that has been home for the last nine years.

All at once I am beginning to realize that it takes at least that many years of family living to make a house a home.

All at once I find myself thinking of the things we can't take with us:

The friendly neighbors with whom we shall no longer have such an easy, casual over-the-back-fence relationship once we have moved out of sight of their yards and houses.

The ivy, that after years of pampering is climbing on the house and trees.

The pair of cardinals that has been bribed with sunflower seeds to hang around and delight us with flashes of vivid color.

The big live oaks whose twisted branches are by now easily outlined in the mind's eye.

LEAVING THE OLD FOR THE NEW IS HARD

THE home-like feel of a house that has been lived in, gone away from and come back to, whose shortcomings have in time become corrected or finally accepted.

The new house is, of course, supposed to have none of the faults of the old, to be the answer to a family's increasing need for more space, convenience and privacy for each of its members.

Maybe it will do all that it is supposed to do. But it is going to take some years of living to make it fit snugly and safely around a family.

It's not easy to leave a house that has been a home. But you don't realize that until you are ready to move away.

Mr. and Mrs. Cash F. Buzard, Sharon, wish to announce the engagement of their daughter, Patricia Louise, to John F. Reed, Warren. Miss Bopp is a 1956 graduate of West Middlesex High School, her fiancé is a Warren High graduate and employee of Interlectric Corp., here. The wedding will take place in the near future.

Brokenstraw Grange Has Installation for Slate

Youngsville — At the regular meeting of Brokenstraw Grange 407, State Deputy Evan Wilcox and his staff from Lander installed newly-elected officers as follows:

Master, Donald Warner; overseer, Helen Piper; lecturer, Leo Johnson; steward, Ellis Martin; assistant steward, Max Hoy; chaplain, Ella Culver; treasurer, Cloie Ward; secretary, Lois Johnson; gatekeeper, Sara Piper; Ceres, Helen Martin; Pomona, Sagrid Johnson; Flora, Lavinia Warner; lady assistant steward, Eva Warner; executive committee member, Harold Culver.

Serving as members of the installing staff were the following: Marshal, Bertram Lohnes; emblem bearer, Connie Lohnes; regalia bearer, Joyce Gruber; chaplain, Dorothy Wilcox; pianist, Edna Dunlin; soloists, Archie Hitchcock and Harold Penhollow.

Among visitors were Worthy State Flora, Flossie Schweitzer, and Mr. Schweitzer, from Diamond Grange. She asked all members of the Grange to give their wholehearted support to the projects sponsored by the State and National Granges. The Deputy Master also asked Brokenstraw Grange and its legislative committee to support issues recommended by State and National Grange, and to give them prompt attention and consideration.

During the business session, the Grange answered an appeal from a Crawford County Grange; also one from the Tuberculosis Society, asking the Grange to buy and use Christmas Seals. The newly-installed Master appointed Marian Hollabaugh chairman of the home economics committee, and E. Leo Johnson chairman of the legislative committee.

About 50 members and guests enjoyed the installation ceremony and the delicious lunch that followed.

The Christmas party will be held Wednesday, December 19, when members are asked to bring a gift for exchange. This will be a family affair and all are asked to bring their children.

Mirrored in Our Times

As usual, with the advent of the annual season for deer hunting, the word of advice is due—"be careful!"—wear the proper garb (bright in color) to make sure that the guy with the gun knows that you're not fair game! Use guns with caution—if you're not positive how to handle your weapon, ask the man who does know! Give the local coroner, the doctors and the hospital a break—but give yourself a break, too—let's not be silly!

Christmas is almost upon us—and in the midst of gift giving, let's all think of the real meaning of the day. Thinking and giving to others—with joy—is significant at this time of year—and no matter how small the community, there's always some one or somebody who can be made happier if you're unselfish. The Salvation Army marches on (with your loving kindness) — The Edward Stokes fund will grow (through your generosity)—TB can be licked (if you buy Christmas Seals)—and so it goes. As you fill your list of gifts for friends and relatives—be sure to remember those less fortunate than you.

On the subject of Christmas giving, we get into that which may be classified as usual. There are solid gold tooth picks—and plenty of mink—but have you ever stopped to think of what to give the chronic invalid or crippled person (there are many such folks in many families)—many of them unnecessarily confined to bed. If you can't swing this gift alone, consult the rest of the kin—because you can thoughtfully give a gift that will insure greater freedom of movement, comfort and happiness—you can give a gift of joy for days to come (easily

manipulated, easy to move from place to place or room to room; easy to handle in home or car—an unusual gift? YES—but one that will be deeply appreciated.

A FOLDING WHEEL-CHAIR—streamlined and correct in every way. What finer gift for the person who might need one? Until the invalid or cripple has enjoyed the modern version, he hasn't lived. You just couldn't do more for a loved one this Christmas. Available at The Warren Drug Store—noted locally for the "finest service to the sick or convalescent".

You auto go—to the Auto Show

—it's next week—Friday and Saturday, December 7 and 8 at Beaty School building. The big affair (a fourth annual) is sponsored by the 40 et 8 of The American Legion, with all local automobile dealers participating. Proceeds will benefit State Hospital veterans and the kids at Hoffman Home here and Ruth M. Smith Home in Sheffield. Don't miss this spectacular event.

"Life With Father" — such a famous play and an equally popular TV morning series. There are times when it seems that Dad doesn't always fair so well ("specially at Christmas")—but that is strictly accidental. Most wives and the small fry know what Daddy likes—but every once in a while, they don't know where to find it. They know his taste in shirts and ties—they realize his preference in accessories. They are positive when it comes to what robe he'd like and they can visualize his choice of pajamas—as a matter of fact, most smart shoppers know

just where to look for holiday gifts for the discriminating male.

It's the preferred stop—The Style Shop! That's right—because you can't go wrong! For the best in menswear and the most desirable Christmas gift items—make The Style Shop your holiday headquarters. What he wants is here—where he shops for himself.

Back to the annual Auto Show, briefly—watch for the big special edition of the Times-Mirror—Thursday, December 6 (also the date of the Trinity Church County Fair and Bazaar).

SOCIETY

Many Group Meetings At Clarendon Methodist

Clarendon—WCS members of the Methodist church held their regular meeting at the home of Mrs. Martha Schneider. The opening hymn of thanksgiving, "O Lord of Heaven", was followed by silent prayer; devotions in charge of Mrs. Schneider; Mrs. Madge Morrison, program chairman, related many interesting facts about the United Nations, and closed with prayer.

A short business session included routine reports by several secretaries; Mrs. R. O. McBride, treasurer, reported the offering for the Week of Prayer and Self-Denial amounted to \$25.

Mrs. Mary Campbell, missions secretary, presented an entertaining quiz, and refreshments were served by the hostess from an attractive Thanksgiving table.

The next meeting will be December 15, with Mrs. Madge Morrison hostess and Mrs. Schneider in charge of the program.

The December meeting of Philanthropic Class will be held Tuesday, December 4, in the church parlors in the form of a Christmas party. Gifts will be exchanged, hostesses will be Grace McBride and Sadie Smith.

Win One Class will hold its regular meeting in the church parlors Thursday evening, December 6, also in the nature of a Christmas party.

EPISCOPAL MISSIONS

St. Francis, Youngsville—Sunday services will follow the regular schedule and these events are planned next week: Tuesday-Saturday, 7:00 a. m., Morning Prayer; Thursday, 7:30 a. m., Holy Eucharist for St. Nicholas Day; Saturday, 7:00 a. m., Holy Eucharist. St. Luke's, Kinzua—9:00 a. m., Holy Eucharist and sermon on the topic "Transformed by Christ."

BIBLE CLUB

A large turnout is urged when the Bible Club Movement meets at 8:00 p. m. Monday in the YMCA library.

Announcement of Sugar Grove Events

Sugar Grove—Several announcements of coming activities in local churches are made today as follows:

The Rev. James M. Fisher, pastor of the First Presbyterian church, has selected the following sermon themes for the Advent season:

December 3—The Advent Preparation; December 9—The Advent and the Bible; December 16—The Advent Glory; December 23—The Beauty of Christmas. On December 30, the theme will mark the beginning of the new year, Taking Inventory.

The community is cordially invited to attend regular Divine Worship Service each Sunday at 11:00; Sunday school begins at Group meets at 7:00 p. m. each Sunday.

Rev. Robert Williams, Free Methodist minister, announces revival services which started November 26 will continue through December 9. The speaker is the Rev. Dewey M. Yale, pastor-evangelist from Sheffield, and services are at 7:30 p. m.

MEAD TOWNSHIP

TEACHER-PARENT CLUB
The November meeting of Mead Township Teacher-Parent Club was held Wednesday evening at Washington School in Tiona, when Fred Harman acted as president in the absence of Charles Warriner.

Mrs. Marjorie Dorrion's first grade won the attendance award. A decision was reached to have Mrs. Dorrion and Mr. Hunter purchase record players for their respective schools. John Mallory, superintendent of county schools, gave an informative talk on elementary school jointure and regional administration jointure.

In conclusion, refreshments were served from a table beautifully decorated in the Christmas theme by Mrs. Herman Nesmith, Mrs. Howard Flick, Mrs. Raymond Olovlin.

CLARENDON PTA

Mrs. Kenneth Knight presided at the November meeting of Clarendon PTA Tuesday evening, with devotions in charge of Mrs. Marjorie Rasmussen.

During the business session, the budget was discussed and approved as planned. It was also decided there will be no meeting in December, as teachers and pupils are having an operetta December 20 at 7:30, to which all parents are cordially invited.

Robert Hockenberry, assistant county superintendent of schools, gave a very interesting talk on "Your Child and His Future".

A social hour was enjoyed, with refreshments served by Mrs. Kenneth Knight and Mrs. John Parsons.

SAUERKRAUT SUPPER

Men's Association of First Presbyterian church is holding a sauerkraut supper from 5:30 to 7:00 p. m. next Wednesday in the church dining room. Tickets may be secured at the church office, at the B & B Smoke Shop, also from members of the association. Proceeds from the dinner will be used to send a delegate to the Eastern Area Presbyterian Men's Conference in New York City.

CIVIC ORCHESTRA CONCERT IS SOON

If you enjoy Handel's inspiring melodies in all their grandeur, especially at the Christmas season; if bright Christmas orchestra music starts off the season's festivities with that holiday feeling; if your taste in music runs to the lighter classical numbers to be heard in Lucille and Didon; if your idea of a fine musical program includes a few modern pieces, such as the lovely Autumn Leaves and the lively Copacabana; if you love to sing carols with an orchestral background—

Then the Warren Civic Orchestra's concert one week from Sunday, December 9 at 8:00 p. m. in Beatty auditorium, is the perfect place to spend an enjoyable winter hour with the entire family.

GOLD STAR MOTHERS' DINNER-INSTALLATION

Warren County Gold Star Mothers will gather at the American Legion Home at 6:00 p. m. Monday for a tureen dinner, followed by the regular meeting and installation of officers elected to serve in the coming year.

Members will also have the privilege, at this time, of entertaining Lenore Dick, of Pittsburgh, president of Pennsylvania Gold Star Mothers, who will be the installing officer.

This is an open meeting and all interested friends are invited to attend.

SALON REMINDER

Members of Warren County Salon 405, Eight and Forty, are urged to make a special effort to view the ABC-TV show, Medical Horizons, at 5:30 p. m. Sunday.

The program will originate live from the National Jewish Hospital in Denver, Colo., where local Eight and Forty Salons, through their state organizations, contribute and maintain a bed for tubercular children not assisted by other organizations.

HOSPITAL ALUMNI CHRISTMAS PARTY

Members of Warren General Hospital Alumni Association will hold their annual Christmas party in the Warren County Dairy social rooms Monday evening, with a tureen dinner served promptly at 6:30 o'clock. The turkey, biscuits, and gravy will be provided by the association, members will bring tureens and their own table service, also a \$1 gift for exchange.

WARREN GRANGE

All members of Warren Grange No. 1025 who have not turned in their gift for the Rouse Hospital are urged to bring them to the meeting at 8:00 p. m. Monday. Home Economics Class will meet Tuesday at 10:30 for an all day meeting to finish the copper planters, those attending requested to bring lunch.

MRS. H. J. SUTTON, of Punt-sutawney, will minister the Word at the Christian and Missionary Alliance church, 615 Conewango avenue, for services to be held at 7:30 p. m. daily December 2 through the 9th, Saturday evening, December 8, will be devoted to the missionary work in New Guinea, and pictures of that field will be shown. Mrs. Sutton is well known in evangelical denominations as an outstanding Gospel preacher.

HOLIDAY EVENT FOR CATHOLIC DAUGHTERS

Following a short business session at 8:00 p. m. next Wednesday in their social rooms, members of Court Warren, Catholic Daughters of America, will enjoy their annual Christmas event. All attending are reminded to bring gifts for Gar-nondale, their silver offering for the Benedictine Sisters, and a 50-cent grab bag gift.

Mrs. Ross Ruhlman and Mrs. Leo Turner, in charge of the lunch and program arrangements, have planned an appearance of the Warren High School Choralists, under the direction of Carroll Fowler.

CIRCLES COMBINING FOR HOLIDAY EVENT

The four circles of First Methodist church, Francis Asbury, Jason Lee, Thomas Coke and Susannah Wesley, will combine for a gathering at eight o'clock Tuesday evening in Dunham parlors for a Christmas party.

A film, "Christmas Around the World", will be shown. Mrs. Robert Alexander will conduct devotions, and Miss Evelyn Curtis and her committee will serve refreshments.

Visiting rehearsals of "The Rainmaker", Warren Players show scheduled for presentation December 6-7 on the Woman's Club stage, Times-Mirror Photographer Saylor found cast members seated around the dining room table in the Curry home.

Starting at the left, he found Sheriff Thomas, played by John Swick John, an engineer at Hammond Iron Company, is making his first stage appearance, although he has lent a hand in work of several stage committees.

Reading clockwise, next is Bill Starbuck, the Rainmaker, who will be played by Bill Campbell, head of the dramatics department at Beatty Junior High. Bill was a member of the Dramatic Club during his college years at Edinboro State Teachers' College, appearing in both Hamlet and Romeo and Juliet, and made his debut with the local group in Peg o' My Heart.

Bob Fey, next in order, is also a Beatty faculty member. He studied at Penn State and, last year, played a leading role in The Moon Is Blue for Warren Players.

Eugenia Price, playing Lizzie Curry, is a teacher at East Street School. Her college work was done at Clarion State Teachers and, returning to her home town, she was seen last season in Born Yesterday.

Returning to Warren Players' stage is a favorite son, Paul Myers, who will play Noah Curry. Paul will be remembered for his delightful performance in Jennie Kissed Me, Male Animal, and My Three Angels.

Fred Plummer, one of the club's most valuable members, will be seen and heard as H. C. Curry. Little Theatre has been Fred's hobby for years and everyone remembers his parts in Three's a Family, I Like It Here, The Silver Whistle, and My Three Angels, among many roles.

Absent when the picture was taken was the remaining member of the cast, Dave Swanson, newcomer to Warren and making a debut in this show. However, glimpses of his portrayal of Jim Curry, indicate he will be a popular figure in future plays.

Mail orders, accompanied by a self-addressed and stamped envelope, are being accepted for "The Rainmaker" and should be mailed to Warren Players, Box 563, Warren, Pa.

The box office will be open in the Woman's Club next Tuesday and Wednesday evenings, 7:00 until 9:00, when reservations may be made in person or by calling 776.

Both members of the club and the public are invited and urged to enjoy this delightful romantic comedy.

Processors have estimated that more than 50,000 tons of dry feathers are produced annually.

A cow will eat 100 pounds of pasture feed every day.

Gathered From The Party Line

Mrs. Nell J. Caldwell, Times-Mirror correspondent for the Corydon community, is leaving for a vacation visit with the H. C. Funk family over the holiday period, and readers are urged to get their items into the hands of Mrs. Lida Wilcox, who will handle the news letter until further notice.

The many friends of Mrs. Carrie, Sager, 9 Dartmouth street, will be pleased with the news that she is making a nice recovery after having been confined to her bed for the past week.

INITIAL Y-TEEN BASKETBALL DANCE

First basketball dance of the season will be held at the YWCA activities building following Saturday night's Dragon court game with Erie Academy.

Continuing their annual tradition, the Y-Teens hold a dance following each home game, Friday or Saturday, the second on the schedule to be December 7. Chap-erones for tomorrow night will be Mrs. William Dasher, Mr. and Mrs. Robert E. Brown.

CABINET MEETING

A special High School Girls' Club cabinet meeting has been scheduled at the YWCA after school Monday, when plans will be outlined for a number of coming events.

All girls trying out for the Y-Teen basketball team are reminded of the practice session at 6:00 p. m. Monday; also after school on Tuesday.

Members of the Ninth Grade Y-Teen groups will meet Tuesday to

Sheffield Offers Candidate for Dist. Governor of Rotary

Sheffield—There were 24 members present for the Tuesday luncheon-meeting of Rotary Club, when it was voted to submit the name of Raymond J. Dereume for the next Rotary District Governor. Mr. Dereume is a member of the Punxsutawney Club, besides being the Belgian Consul for Western Pennsylvania, conducts an import and export business.

The Club also voted to send a Christmas contribution to the local unit of the Salvation Army.

The Rev. Dewey Yale had the program, selecting as his topic "Critical Factors of the Present World Crisis", and dividing his talk into six general classifications as follows:

1. Contrast between plenty and destitution. 2. Menace of class war. 3. Importance of governments to put down crime. 4. Race between war and peace. 5. Racial prejudice. 6. Religious antagonism.

Rev. Yale's talk was very informative and gave the members some facts they could apply to their every day lives. He stressed racial and religious antagonism and said "religion is meant to be unity of action and belief that would be a blessing to humanity". He left the thought of more co-operation between the various religious bodies and of lessening the sometimes prevalent feeling that exists between various churches.

Actress Who Walked Out on Television Show in Rest Home

New York (AP)—Actress Margaret Sullivan, who suddenly disappeared on the eve of a television show seven weeks ago, is at a rest home in Stockbridge, Mass. Miriam Howell, Miss Sullivan's agent, reports "she is perfectly all right and will leave in a couple of weeks or so."

Miss Howell confirmed the husky-voiced star's whereabouts after the New York Journal-American reported her at Stockbridge in the Austin Riggs Center.

Miss Sullivan has been at her own home in Greenwich, Conn., during weekends. Her husband, Kenneth Wagg, has spent much of the time with her since she vanished.

The Journal-American said the Stockbridge home gives therapy to persons "not able to cope with their emotional problems in their customary home or business environments, but are not sick enough for a closed institution."

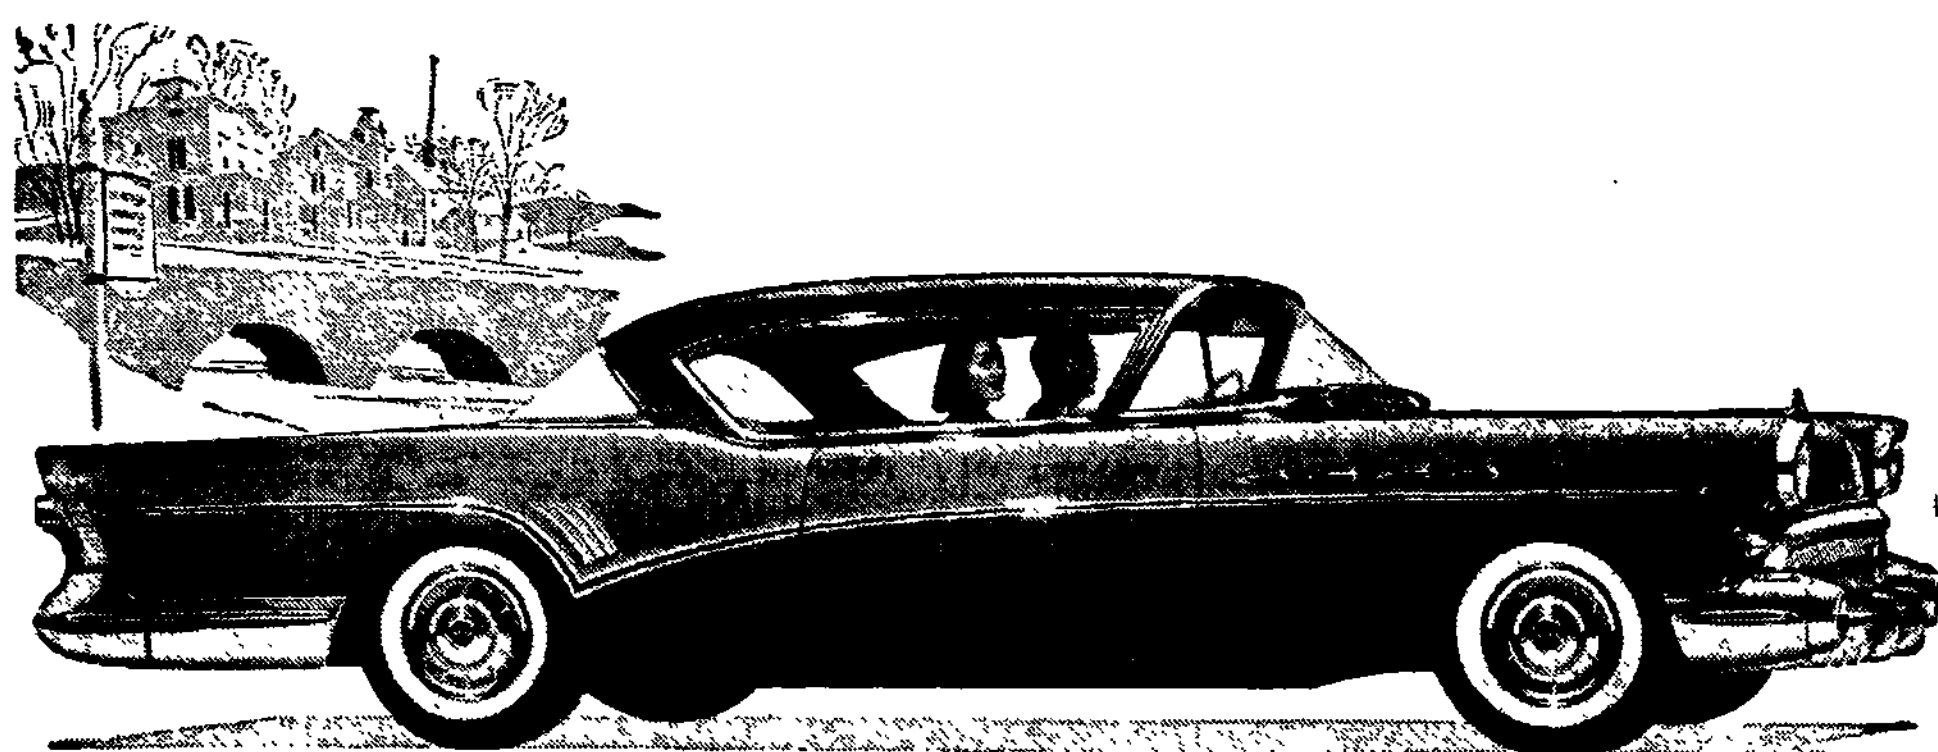

The disappearance of Miss Sullivan was disclosed Oct. 8, a few hours before she was to have appeared on an hour-long Studio One drama over the CBS television network.

The show producers said later that she had walked out of a rehearsal, but that they had felt the criticism she voiced was ordinary pre-show jitters. The drama, concerning a nun, has been telecast since with Nancy Kelly starred.

PROTEST WAGE TAX

A Bradford citizens committee formed to combat a proposed municipal wage-income tax met Monday night. The meeting was attended by about 50 interested persons. It was in the form of a public forum during which questions were asked of the citizens committee co-chairmen, Raymond Arnold and John Metzler. Judging from the questions and openings addressed to the chair, the assemblage was composed almost entirely of individuals who opposed the proposal which was brought out at the last meeting of Bradford City Council on Nov. 19.

The Little Theatre movement started in Provincetown, Mass., during the summer of 1915.

**For '57 Styled long and low
—with lots of GO!**

(Try the instant response of Buick's New Dynaflow*)

We'll admit it quite frankly.

"New" is a word that's used a lot. But seldom has it meant so much that's fresh and different and better-than-before—as here in the newest Buick yet.

Take the new styling, because that's so obvious even at a glance. To get it so sweepingly low, the engineers started right from the bottom, with a brand-new type of chassis construction.

It's an ingenious "nested" chassis that reduced car height as much as 3.4 inches, giving new lowness and raciness to the styling—without reducing road clearance below or room inside.

It's a massive I-beam, X-frame chassis that's stronger and sturdier—and permits a new low center of gravity that gives this Buick far surer, far safer roadability.

That's the picture on style and beauty and rugged brawn in every '57 Buick.

But no such picture can give you the feel of this automobile's new *instant* go.

Only when you take the wheel can you appreciate the new era of motoring pleasure and ease and safety brought about by Buick's new power-pitch response.

It's *instant* response — response set off by the hair-trigger action of a new 364-cubic-inch V8 engine and the full-range flexibility of a new Variable Pitch Dynaflow.

It's response so eager, this Buick seems to anticipate your every command. Power flashes to the rear wheels so quickly and smoothly in "Drive," that the need for "Low" has virtually been eliminated. Even Dynaflow's famous switch of the pitch is seldom needed.

Come try it. Come see and feel the tremendous difference the newest Buick yet can make in your driving enjoyment.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Many Human Interest Stories In Wake of Erie's Snow Storm

Erie (AP)—Big fat Thanksgiving turkeys that were roasting in ovens when Erie's record snowfall began last Thursday turned out to be a welcome food reserve for many in the storm-bound days that followed.

For many a family, especially on the outskirts of this Lake Erie city and in the rural areas, the pre-Thanksgiving shopping was the last trip to the grocery store until snow-clogged roads were open.

Getting the roads open so traffic could roll and industries could

resume operations was the task of hurriedly mustered work crews but there were many more human stories during the big storm, too.

An example was a service station attendant who grew weary during the long hours he stayed on the job trying to do his bit to get the two-foot snow fall removed. He made a mistake—sold a customer gasoline instead of kerosene for use in a heating stove.

After the customer had gone he realized his mistake. He called police who notified radio and television stations.

Two hours later the purchasers called police. He said he dumped the can "outside where it would melt a little of the snow."

Police estimated they received more than 1,000 calls during the three days when Erie was buried under snow. Expectant mothers called for medical help, families reported they were out of fuel, others asked for badly needed medicine.

Inspector Frank Hostzel said "We handled all we could personally and turned the others over to the Civil Defense and the Red Cross."

MOTEL BIDS DUE

Bids for construction of "Penn Laurel" motel on Pennsylvania Avenue beside the American Legion will probably be awarded next week according to co-planners Orrie Beebe and Dan Dodge. Foundations for the 42-unit structure are being put in on schedule by John E. Parsons Construction Company of Clarendon.

Storm Weary Erie Lakeport Is Having More Snow Today

Erie (P)—Heavy snow squalls pelted this storm weary lakeport city again early today and the Weather Bureau warned it could expect an accumulation of from 5 to 8 inches.

It was the second straight day of heavy snow. About four inches fell yesterday on top of more than a foot still on the ground from a paralyzing two-foot fall Thanksgiving Day.

Traffic was slowed to a crawl and highway crews quickly moved out to cope with the new snow. There were numerous skidding accidents.

In a revised forecast the U. S. Weather Bureau warned of heavy snow squalls near Lake Erie with a total accumulation of 5 to 8 inches of new snow in Erie and Crawford Counties.

The snow started falling about 4 a. m. and was piling up at the rate of about an inch an hour, one observer said.

Most of the downtown streets were still open but the heavy squalls quickly covered outlying roads.

Emergency weary crews that labored to clear the heavy Thanksgiving Day snow again began the job of trying to cinder the highways before the snow packs too hard.

W. J. Pope, Erie highways superintendent, said he had 126 men and 86 pieces of equipment out on the roads. The equipment included bulldozers, snow plows and diggers.

Funeral Information Will Be Found Under Another Heading

MRS. PETER G. JULIANO
Funeral services will be held at 10:00 a. m. Monday at St. Joseph's church for Mrs. Peter G. Juliano, 1123 Pennsylvania avenue, west, who died in her sleep about 3:00 a. m. Thursday at her home. Interment will follow in St. Joseph's cemetery. Friends will be received at the family home, starting this evening, and the parish rosary will be recited there at 8:00 p. m. Sunday.

Mary C. Juliano, in poor health for the past year and seriously ill the last two weeks, was born in Angoli, Italy, on December 18, 1891, and had lived in this vicinity for the last 37 years. She was a member of St. Joseph's parish.

Besides her husband, she leaves two sons and one daughter, Angelo Juliano, Warren; Frank Juliano, Erie; Mrs. John Cappello, Kane; also 11 grandchildren; one brother, Dominick Juliano, in Erie, and a sister, Filomena Juliano, in Italy. A second daughter, Sylvia, preceded her in death in June, 1942.

MRS. LULU CONKLIN
Mrs. Lulu Conklin, 86 year old former resident of Warren county, died at her home, 107 East Second street, Jamestown, about 2:00 p. m. Thursday.

Mrs. Conklin was born on Cole Hill on July 26, 1870, and lived in that area until a few years ago, when she went to Jamestown. She was a member of Garland Methodist church.

Surviving are a son, Glenn Eastman, Garland; 13 grandchildren, 35 great-grandchildren, and 7 great-great-grandchildren.

Funeral services at 3:30 p. m. Sunday in Youngsville will be followed by interment in Youngsville cemetery.

MAYNARD G. SULLIVAN
Maynard G. Sullivan, 38 years old Youngsville resident, died at 3:30 p. m. Thursday at Warren General Hospital after a short illness.

Mr. Sullivan was born at Youngsville July 12, 1918, had spent all his life in that vicinity, and had been employed by Penn. Furnace and Iron for 15 years. He was a veteran of World War II and a member of Chief Cornplanter Post 136, American Legion, in Warren.

Surviving are his mother, Mrs. Rose Sullivan, three brothers and five sisters, Willis, Clarence and Jerry Sullivan, Mrs. William Darling, Mrs. Clarence Walter, Mrs. Robert Caldwell, Mrs. Emerson Henry, and Mrs. Walter Teydus, Youngsville; Mrs. Edward Voty, Russell. Sharing in the sympathy extended the family is his fiancée, Miss Helen Fleming, also of Youngsville.

Funeral services will be held at 1:30 p. m. Sunday, followed by interment in Youngsville cemetery.

Church Basketball League Is Discussed

The second meeting concerning the formation of a church basketball league was held at the First Baptist Church Thursday evening, with representatives from five churches in attendance. Definite interest has been shown by a sixth church, and a seventh has indicated some interest in sponsoring a team in the league.

A third meeting has been scheduled for the same place on next Thursday evening, December 6, at 7:30. It was decided that the league be limited to eight sponsoring churches at the beginning and that Thursday, December 6, be set as the deadline for any church that wishes to sponsor a team to signify its intention and for players to be signed up.

It is planned that the league will be formally organized at the next meeting, players assigned to teams, and at least the beginning of a playing schedule set up.

Any church that is interested in sponsoring a basketball team in this league, other than those churches which have had representatives at one of the two meetings that have been held, should contact the First Baptist Church by Thursday, December 6, for information. Those interested should call 2559 any morning. Costs to sponsoring churches will be kept to a minimum.

es to avoid the wrath of many Conservative party members.

Although the government still walks a tight rope, it appears that not enough of the party's right-wingers would press a revolt to the point where they would bring the government down. But the future of Prime Minister Eden, now convalescing in Jamaica from "overstrain," remains clouded.

PARKING GARAGE

Pittsburgh (P)—Private interests have made tentative plans to build a parking garage with a capacity of 240 cars in the Squirrel Hill business district. The automatic, elevator-type garage would be built on the site of a building destroyed last winter in a \$750,000 fire. Oscar Reichbaum, co-owner of the company that owns the property, said zoning laws and other factors will determine whether the garage will be built.

ERIE OFFICIAL DIES

Salamanca, N. Y. (P)—Dennis J. Maley, 71, a former vice president of the Erie Railroad, died of a heart attack last night. He had made his home here since his retirement in 1948.

Fugitive From Rockview Seems Happy To Be Back

Bellefonte (P)—Gerald C. Powell is back in the Rockview State Penitentiary today—a little frost bitten and somewhat thinner than he was when he escaped from the prison last Monday.

The 28-year-old convict from Jersey Shore, near Williamsport, surrendered to police last night at a farmhouse about a mile from the prison where he said he had been hiding since his escape.

When taken into custody at the farm of Laure Thomas at Pleasant Gap, Powell told authorities he had not eaten since he left the prison and showed them a pair of badly chilled feet which physicians said were near frozen.

PICKPOCKET PICKED UP

Pittsburgh (P)—Milton Laughrey, 32, walked into Central Police Station yesterday and reported that a pickpocket had lifted \$150 from his trousers. The name Laughrey sounded familiar to the officers. They checked their records and noticed that a few hours earlier a service station operator reported one of his employees walked off the job with \$142.39 of the station's money. The name of the employee was Milton Laughrey. The officers took Laughrey before a magistrate and he pleaded guilty to larceny.

Pittsburgh Plans Wage Hikes in Water Dept.

Pittsburgh (P)—Mayor David L. Lawrence's proposed budget of \$4,884,244 for operation of the city's water department during 1957 provides 7 per cent wage increases for all department employees.

The mayor told City Council that it will not be necessary to increase water rates of anticipated increases in revenue during the coming year.

Earlier, the mayor had presented to council the city's proposed general budget of \$44,273,292. This, coupled with the water department budget, would make the city's operating expenses for 1957 about 50 million dollars.

Nine Bail Out Safely From C119 Flying Boxcar

Frankfurt, Germany (P)—A U. S. Air Force pilot brought a C119 Flying Boxcar in safely today after scraping a tree in the Taunus mountains and ordering his nine-man crew to bail out.

All nine crewmen were found unhurt by ground rescue teams which started searching the snow-covered mountains after the pilot landed the big plane at Frankfurt's Rhine main air base.

The plane was preparing to land at Wiesbaden, headquarters of the U. S. Air Force in Europe, when it struck the tree.

The pilot kept the plane in the air and after gaining altitude, ordered the men to bail out.

He then flew to Frankfurt, approximately 20 miles away, where he landed.

The front end of the plane was bashed in by the tree splinters and debris were hauled in the pilot's face but he was not seriously injured.

Negroes Remain Away From Clinton School

Clinton, Tenn. (P)—All 10 Negroes enrolled at Clinton High School stayed away from classes today for the third straight day.

"Since this is the last day of the week, we just decided to stay home again today," said Jo Ann Allen, 16, a junior and one of the Negro girls attending the school.

Miss Allen and the other Negro students have remained away from the school because of what they called "abuse" they had received from a small group of white students.

FAVORS BRANCH BANKS

Harrisburg (P)—A Philadelphia banker says there exists a greater need for branch banking facilities today than years ago because of the "sharp trend toward decentralization" of cities.

Stewart Rauch, president of the Philadelphia Saving Fund Society, gave his views yesterday before a task force of the Joint State Government Commission looking into branch banking in the state.

State Banking Secretary Robert L. Myers Jr. recommended that branch banking be restricted.

President of Stackpole Carbon Co. Is Retiring

St. Marys (P)—Lyle G. Hall Sr., president of the Stackpole Carbon Co., today announced his retirement and Harry S. Conrad was named to succeed him.

Hall at one time was associate judge of Elk County. He also served two terms as president of the National Electrical Manufacturers Assn.

Conrad, a native of McVeytown, Mifflin County, formerly was vice president and sales manager. He held the posts over a span of many years.

Other promotions announced by the company included A. A. Haberberger, advanced to vice president and general workers manager, and E. J. Hammer, elevated to vice president and director of industrial relations.

Band Leader Protests Federal Cabaret Tax

Washington, (P)—Band leader Meyer Davis, protesting the 20 per cent federal cabaret tax, said today "the average wage earner no longer can afford the cost of an evening on the town."

Davis, representing the American Federation of Musicians, was one of a number of witnesses prepared to appear before a house subcommittee studying excise taxes.

He said in a statement that the cabaret levy is causing unemployment not only among musicians but also among other groups.

Floyd Patterson Has Classic Title Edge --- Youth

Big Years Pick Floyd As New Heavyweight Champion

By HARRY GRAYSON
NEA Sports Editor

ago (NEA)—Years ago during 45-round days in California, fight guy told me: "Whenever you are in doubt the result of a fight, pick the younger fighter. You will rarely be wrong."

rule has worked pretty well through the years. So, this year is picking Floyd Patterson to win the world heavyweight championship in his 15-match with Archie Moore at the Municipal Stadium, Nov. 30. The Brooklyn speedster, certainly has age running for 29 years of it. He was not yet old when the 40-year-old had his first professional fight.

Way We Look at it, the last of armor plate in the solid ship which was Moore was d loose in the ninth round by Marciano at Yankee n. Sept. 21 of last year. No-

youth, keeping constant pressure on Moore, can lessen this danger as every minute of the fight wears on.

This department has constantly scored Patterson for his lack of experience amateurish tricks. But he is a fighter who has been improving fight after fight since the night he stepped into old St. Nicholas Arena and took out one Eddie Godbold in his first step toward the title.

There Was For Example, an eight-round bout with Dick Wagner at Brooklyn's Eastern Parkway Arena. Wagner stabbed to the midsection, fought well inside. He made Patterson look bad and Rocky Marciano, interested in this possible challenger even then, heard about the midsection business.

In a return match, Patterson bullied Wagner all over. He fought inside, then stepped back and chopped his man into a mess. He showed the ability to learn in that one.

He still could use some learning, would need it against a young Moore. But Archie is an old man now. And there is nothing like being young when the action gets hot and you need legs to keep you going.

You fight with your fists, yes. But you stand on your legs and when they refuse to hold you up and still be limber, then your

Southpaws Have No Place In the Prize-Fight Ring

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK (NEA)—The announcer said Kenny Lane switched from the orthodox stance to that of a southpaw the better to protect himself.

This was between rounds of the Muskegon Mauler's struggle with Frankie Ryfi at Miami Beach recently.

The announcer probably was full of prune juice because if you ever saw a natural left-handed-and-footed prize fighter it is Lane.

It is a shame that someone didn't switch Lane around before it was too late. As a rising young lightweight with his right foot forward, it will be increasingly more difficult for him to obtain good matches. He is as awkward and as much of an agony fighter as most southpaws.

THE CONVENTIONAL BOXER has every right to refuse to meet a southpaw. The best of them have. Joe Louis, never accused of avoiding anyone, flatly declined to box Melio Bettina at a time when the Beacon Beak Buster would have been rather magnetic at the bucks office.

"I don't fight no southpaws," emphasized Louis. "They spent 10 years teaching me to box and now you ask me to throw it all out the window and do everything backwards."

Good fighters like Louis feared that they would be made to look bad by a southpaw.

"Most southpaws leave the fans with a dark brown taste," says Manny Seamon, who trained Benny Leonard and Louis.

"The fight is made worse by the orthodox fighter having to do everything in reverse and being gummied up mentally. The orthodox fighter doesn't see enough southpaws to get wise to them. It's like a guy listening to double-talk. It's some time before he catches on and by then a fight could be nearly over."

MANY NATURAL SOUTHPAWS were made even more formidable by being turned around and put on the right track. A notable case was that of Ad Wolgast, a fierce lightweight of the 45-round days in California. Jake LaMotta was a converted southpaw.

So are the current Carmen Basilio, Tony DeMarco, Johnny Saxton, Sandy Saddler and Frankie Ryfi.

Lew Tendler was the lone standout exception in the line of southpaws. The great Philadelphia lightweight of 30 years ago used his weapons from the portside with the skillful execution of the finest orthodox fighter.

Benny Leonard and Tendler met at their respective peaks. Leonard fully realized that it was a dangerous fight, but his principal worry was Tendler's southpaw style.

Old-timers will tell you what happened. Leonard talked himself out of a bad situation in a close first trip, but won going away in 15 rounds a year later.

LEONARD MADE A STUDY of southpaws while using them as sparring partners. Until then, the theory was that an orthodox fighter should lead with his right against a southpaw. Leonard found that didn't pay off, but had Tendler beat when he discovered that the short cut to success was dropping a hook over Tendler's job. Quite naturally, Bennah had more on the hook than Lew could put into the job.

But, as Benny Leonard said, and Joe Louis and many others agreed, there should be a law against southpaws in the ring.

Odds on Fight Tonight 6 to 5 — You Pick 'Em

By JERRY LISKA

Chicago (P)—For the third time in modern ring history, a vacated world heavyweight title is up for grabs at the Chicago Stadium tonight in a showdown between two unique contenders, 39-year-old Archie Moore and 21-year-old Floyd Patterson.

They battle for Rocky Marciano's abdicated crown.

Latest odds were 6 to 5, pick 'em, in this 15-round bout. A gross gate of \$250,000 with 18,000 attendance is indicated.

A new age record for a heavyweight champ is certain because Moore, reigning light heavyweight champion, can become the oldest to win boxing's biggest bauble or Patterson can become the youngest. To date, Jersey Joe Walcott was the oldest winner at 37 and Joe Louis the youngest at 23.

Sealed bids will be received by Town Council of the Borough of Warren at the Regular Meeting of said Council to be held on the 10th day of December, 1956 at 7:30 P. M., E.S.T., for the purchase of the following:

One, black, 2-door Sedan Automobile, to be equipped with the following:

8 cylinder engine, heavy duty clutch, oil filter, heavy duty battery, heavy duty generator, not less than 50 amperes or more, sealed beam spotlight, heater, defroster, puncture-proof tubes.

The successful bidder is to take as part payment of the above—

One, 1955, 6 cylinder Chevrolet Sedan Automobile, which may be seen at the Municipal Building, 318 West Third Avenue, Warren, Pennsylvania.

The delivery of the above to be made FOB Warren, Pennsylvania, with all taxes and transportation charges paid, within sixty (60) days after bid is accepted.

Each bid must be accompanied by a certified check or bid bond for (5) per cent of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the automobile and equipment specified if bid is accepted.

New Record Is Set By Milt Campbell For The Decathlon

By TED SMITS

Melbourne (P)—A American handyman Milt Campbell and Rafer Johnson rang up 15 United States' points with a one-two finish in the gruelling decathlon today to partially offset a strong, female-inspired Russian advance in the Olympic team standings.

Campbell, a former Indiana University fullback from Plainfield, N. J., cracked Bob Mathias' Olympic record in winning the two-day, 10-event test of track and field versatility with 7,937 points. Only a poor performance in the pole vault kept him from breaking the world record as well.

Johnson, holder of the world mark of 7,985 points but hampered by a bad leg, was second with 7,587.

The gold medal for Campbell was the 20th of the games for the United States squad and the 13th for Coach Jim Kelly's mighty track and field squad. And, combined with Johnson's five points, it couldn't have come at a more timely moment.

For this was the day that Russia's husky track molls chose to flex their muscles and the result was 18 points in the women's shot put alone, with both the winner, 220-pound Tamara Tychkevitch and the runnerup, defending champion Galina Zybina, shattering the Olympic and listed world record.

WARREN HAS REACH ON ERIE ACADEMY WHICH HAS SPEED

By BANTAM JACKSON

The question is—Can the Dragon five beat the Erie Academy Lions in the Beatty den Saturday night as the curtain opens on the 1956-57 scholastic basketball season?

The stage is set for some grand climaxes as Coach Joe Massa reports an exceptional enthusiasm is rampant among the 13 members who compose this year's Warren team which will be out to better the so-so 8 and 13 record compiled by the "Hard Luck Five" of last season.

Doors of Beatty gym will open at 6 p. m. Saturday for the first regular scholastic cage game on that evening in years. Evlim tips off at 7 p. m. between Jayvees and a high school five while the feature bows in at 8:15.

The Academy squad, with three lettermen back, is expected to have a slight edge in experience by virtue of a game against the Bradford Owls tonight. Lions will stay overnight before roaring into Warren eager for win No. 2 or out to avenge an opening defeat.

The Dragons, though high, will have to prove they're mighty. Ed Rickerson, at six-foot-three and as sole returning lettermen, is the only sure starter so far, probably at forward.

Other top Saturday nighters could be 6ft.2in. Bill Dahl at center and equally tall Jim Mohrnek at another forward spot. These top three are all seniors.

First-guessing the coach could have 5 ft. 11 in. Dick Danielson, 5 ft. 9 in. Steve Lindquist, 5 ft. 8 in. Jack Karkosky, and 5 ft. 11 in. Ken Hoffman contending for the starting guard positions. The first two are seniors, the others juniors.

Ready to spring into any weak point on the Dragon defense or offense are six footers Nick Monroe and Louis VanBlais; 5 ft. 8 in. Ray Bennett or Tom Schaeffer and Chuck Still, both 5 ft. 9 in.

Academy is not likely to be a push over, has at least two extremely fast men in Al Marthinson and Grover Blanchard who are sports holdovers from the 1956 Academy football backfield composed of 10-second men. The three returning Lion lettermen are 5 ft. 11 in. guard Kidder, 6 ft. Chuck Thomas, center, and Don Commer, a 5 ft. 11 in. forward.

Other Academy men making the two-day trip into the region are Gene Palombi, f; Mal Carlisle, c; Carl Shearer, g; Bob Feldman, f; Bob Young, c; Tony Vacanti, g; Bob Klomp, 6 ft. 1 in. forward, tallest man on team.

Warren has not played the Academy Lions since 1948 when the Dragons lost to them early in the season, then came back to whip them 48-38 for the District Ten championship. Coming back to Academy basketball with Warren is the coach of eight years ago, Jack Komora, a sight to behold on the bench if he's off his game.

Assisting Joe Massa with the coaching chores this year is Jim Johnson. Managers are Berry Kornreich and James Confer.

Midshipmen Playing For Bowl Invitation In Traditional Game With Army on Saturday

By BOB HOOBING

By The Associated Press

Navy and Baylor will try to oblige bowl scouts tomorrow while Texas A&M fans mourn the plight of the best Aggie team since 1939.

For the third year in a row, it appears Navy will be playing for a bowl invitation against Army in their traditional battle before an expected 100,000 in Philadelphia's Municipal Stadium.

The Midshipment went on to the Sugar Bowl to whack Mississippi 21-0 two years ago but lost a chance at the Cotton Bowl last year when the Cadets posted a 14-6 upset.

Cotton Bowl officials have their eyes on Navy again this time according to reliable reports.

The host team in Dallas will be Texas Christian because Texas A&M, which completed an unbeaten season by thumping Texas 34-21 yesterday, is ineligible for postseason competition under an NCAA ban for recruiting.

Baylor is a popular choice to meet Tennessee in the Sugar Bowl though neither have been selected officially. The Baylor Bears play Rice tomorrow. Tennessee risks an unbeaten, untied season and the Southeastern Conference championship against Vanderbilt.

Tennessee is sure to be invited to one bowl.

Of 10 positions in the five major

bowls, six are still open.

Here's the setup:
Rose—Iowa vs. Oregon State.
Orange—Colorado vs. Clemson.
Duke or South Carolina.

Sugar—Both unnamed. Probably Tennessee vs. Baylor with Georgia Tech and Houston also under consideration.

Cotton—Texas Christian vs. Navy, Syracuse, Georgia Tech or, possibly Tennessee.

Gator—Georgia Tech, or Mississippi vs. Navy, Baylor, Pitt, Syracuse or Wyoming.

It is evident plenty rides on tomorrow's encounters.

In addition to the Tennessee, Navy, Baylor and Clemson games, Georgia Tech meets Georgia, Mississippi faces Mississippi State and Houston runs into weak Detroit.

Syracuse and Wyoming have completed their seasons while idle Pitt winds up against Miami Dec. 8.

Oklahoma, held bowl-less because of the Big Seven Conference ruling against successive year appearances in their Orange Bowl tie-up, is a heavy favorite to win its 40th straight game at Oklahoma A&M expense.

Tomorrow's other games include Alabama-Auburn, Boston College-Holy Cross, Miami-Florida, Kansas-Missouri, LSU-Tulane, Notre Dame-Southern California, TCU-Southern Methodist.

Leave it to Joe to remember the ammunition!

Annual Model Train Race To Be Staged in Canteen Dec. 27

The annual YMCA model train race, which is eagerly anticipated each year, will be held at 2:00 p. m. Thursday, December 27, in the Youth Canteen. This event, which will be bigger than ever this year, will have three classes of entrants, under nine years of age; ages nine, ten and eleven; twelve and over, and will be open not just to YMCA members, but for any interested boy, girl or adult in Warren county.

The YMCA hopes to have its own equipment for races in the future, but at the present time the necessary track is borrowed from the district YMCA office at Corry, and may be obtained at only certain times. Therefore, any track which may be lying around unused in attics, or elsewhere, will be gratefully accepted.

The expanded program is made possible by participation of the following merchants: Toy Center, Ace Stores and Western Auto Associates. Official entry blanks may be procured from any of the above, or at the YMCA. Blanks must be completed and returned to the Y, M. C. A. before 5:00 p. m. Saturday, December 2. Registration fee must accompany entry blank. Registration will be 25-cents and one length of Lionel "O" gauge track. Entrants who register after the December 21 deadline will be charged double the entry fee (two pieces of track and 50-cents) and will be put on a waiting list of substitutes for entrants who cancel or fail to appear at the race.

Great interest has been shown in the past in this event, and it is believed this year's race will be bigger and better than ever before.

NO SKATING YET!

Jim Reier, Park Superintendent, emphasized again today that it may be ten days or two weeks before conditions will permit flooding of the Beatty tennis courts for ice skating. There is little or no frost in the ground as yet, he says, and snow is acting as an insulator. There has been some coasting on Division street, which has been barricaded for the youngsters. Others will be closed as soon as conditions justify.

FATAL HIT AND RUN

Pittsburgh (AP)—An injured motorist was found crumpled behind the wheel of his blood-spattered car in nearby Munhall today. Three blocks away police found the body of a dead pedestrian lying in the street.

Holy Roman Emperor Charles V, who died in 1558, had 27 pairs of spectacles to match each of his costumes.

HOLIDAY LEAVE

Fic. John Kostkas, son of Mr. and Mrs. Stephen Kostkas, Star Route, Irvine, has recently completed 10 weeks of parachute rigging school at the Naval Air Station, Lakehurst, N. J. To see that John had learned his lessons well, successful graduation called for a free fall from 3000 feet with a parachute of his own packing. He is presently home until December 28, with orders to report to Marine Corps Air Station, El Toro, Calif.

TRAPPING SEASON

Tomorrow Pennsylvania bear hunters will be winding up their season and other big game hunters will be going to camp or making final preparations for the December 3 deer season opener. Also thousands of men and boys will go quietly about the business of setting traps for minks and muskrats. This is the first time in many years the mink and muskrat seasons have opened and closed on the same dates.

PEP ASSEMBLY HONORS BASKETEERS

First basketball pep assembly of the new Dragon court season was held this afternoon at Warren High School, the cheerleaders taking over for rousing songs and cheers, and then presenting the players, giving their position on the team and their grade in school. The assembly concluded with the Alma Mater and traditional See You at the Game.

terday, he was nervous and jumpy.

Halfway through the picture-taking, Sir Winston blinked, then grabbed the arm of a sofa and struggled, with difficulty, to his feet.

A friend close to Sir Winston said he has given no intimation of any plans to retire from Parliament at any time soon, as has been rumored frequently.

Sir Winston agreed to attend two birthday parties—a luncheon with his younger grandchildren at his London home and a dinner at his country home, Chartwell, 30 miles from London, with his older grandchildren and children.

BULLETINS!

Harrisburg (AP)—Thomas D. McBride, chancellor of the Philadelphia Bar Association, was reported today to have been recommended by Atty. Gen. Herbert B. Cohen as his successor to head the State Justice Department.

Budapest, Hungary (AP)—Hungarian students, who spearheaded the anti-Moscow revolt of Oct. 23, defiantly insisted again today on their original demands for an independent Hungary free of Russian troops.

Pittsburgh (AP)—A Hungarian refugee—one of the first to arrive in the area—said today the general feeling among Hungarians everywhere is that a "third world war is inevitable." He is 25-year-old Elker Laszlo, a music and history teacher from Mason-Magyar, now living with relatives in nearby McKeesport.

New York (AP)—Radio Free Europe says a Communist radio falsely identifying itself as RFE had deluded Hungarian rebels into expecting armed assistance from the West.

Newport News, Va. (AP)—Salvage torches in a Baltimore yard soon will tackle a job that proved too tough for Japanese ships and planes—destroyed the USS Mississippi. The gallant "Missy," resting quietly here, was sold for scrap yesterday to Bethlehem Steel Co. of Bethlehem, Pa. The 32,000-ton battleship brought \$1,660,764.

Rome (AP)—The U. S. Fleet which evacuated 1,200 civilian men, women and children from Alexandria, Egypt, earlier this month moved through waters which Navy men thought might

Scholarship for County Student at Penn State

University Park — Carol F. Bailey, Clarendon, is the recipient of a \$50 scholarship provided by the Pennsylvania Extension Homemakers Fund. Daughter of Mr. and Mrs. Richard D. Bailey, she is a junior at Mansfield State Teachers College.

Miss Bailey is one of four Mansfield students majoring in home economics to receive one of the \$50 scholarships. Others are Ohn-lee Mary Teats, Mt. Pleasant Springs, Snyder county; Marie Kopatz, Rushville, Susquehanna county; and Hildegard Mertz, Northumberland.

Six students majoring in home economics at Penn State and four at Indiana State Teachers College are recipients of scholarships from the same fund.

Formerly of Bradford county, Miss Bailey was graduated from the New Albany high school. She has been employed during her summer vacations.

Miss Bailey is a member of the art club, the college players group, Omicron Gamma Pi, Kappa Omicron Phi, Kappa Delta Pi, and the Women's Athletic association.

Area Future Farmers Hold Annual Election

West Forest, Northern Area and Youngsville FFA Chapter Officers met Wednesday afternoon and evening in the Eisenhower High School for Leadership Training and to elect officers.

Officers chosen were: President, John Wagner, West Forest; vice president, Robert Porter, Northern Area; secretary, Paul Johnson, Youngsville; treasurer, Wilbur Perkins, Youngsville; reporter, William Sarlewine, West Forest; sentinel, Charles Tower, Northern Area.

Assisting with Leadership Training and the annual program of work were Karl Flowers, Joseph Soper, Robert Albright and Ted Sponsler, advisers. Mrs. Lassinger, Homemaking instructor, and girls of the Homemaking Department of the Eisenhower School served a delicious lunch to the group.

Mr. Soper conducted the group on a tour through the new building.

MANY FURLOUGHED

Harrisburg (AP)—State Health Secretary Bervyn F. Mattison has furloughed 103 employees at the Hamburg Tuberculosis Sanatorium. The health official said the employees were laid off due to a decline in the number of patients and a tight budget at the institution. He said 39 employees were laid off earlier at the Crescon Tuberculosis Sanatorium.

SPORTS IN BRIEF

By The Associated Press
New York—Don Newcombe signed for \$30,000 with the Brooklyn Dodgers, a raise of \$5,000, on the heels of winning the Cy Young Award and the National League Most Valuable Player Award.

Baltimore—Spin (\$7) gained his fourth consecutive triumph at Pimlico in the Garrett County Purse.

CHARGES DROPPED

Charges of stealing dynamite lodged against 19-year-old Martin Mann, Johnsonburg, were dropped prior to a hearing scheduled before a justice of the peace in Wilcox. State troopers from Ridgway said the charges were dropped because the owner of the dynamite, Michael Stahl, caretaker of the Wardvale cemetery in Johnsonburg, refused to press charges against Mann. Mann and a Johnsonburg juvenile were taken into custody by state troopers from the Ridgway barracks on Nov. 16, after the officers found the stolen case of dynamite in the trunk of Mann's car. The two admitted the theft.

FATALITY ON ROUTE 5

A 30-year-old Buffalo trucker was instantly killed on Route 5 two miles west of Dunkirk late Thursday afternoon when his huge semi-trailer outfit was struck by another skidding truck. The accident claimed a second life when a spectator watching clean-up operations, some four hours later, suffered a fatal heart attack and died en route to a hospital. Edmund C. Crump, of 117 Goodell street, Buffalo, was pronounced dead at the scene of the crash by Coroner Dr. Samuel Patti of Dunkirk after his skull was crushed in the smashed cab of his truck. He was Chautauqua County's 30th traffic victim of the year. George Benz, 34, of Sheridan Center Road, Sheridan, died in a State Police car while en route to Hanover General Hospital at Silver Creek after he collapsed at the accident scene about 9 p. m. While Dr. Patti pronounced Crump dead, Coroner Theodore Morse of Brocton signed the certificate of accidental death, State Police said. According to State Police, truck driver Charles Walton, 30, of Atlantic City, N. J., was headed west on Route 5 and slowed up for traffic ahead. His loaded trailer began to skid on the icy road and jackknifed the vehicle into the path of Crump's east-bound truck.
